Public Health

PUBLIC HEALTH ACT 1997

DIRECTION UNDER SECTION 16

(Contact tracing – No. 4)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that, commencing on 1 May 2021 –

(a) this direction applies to –

(i) each person who –

(A) has attained the age of 16 years; and

(B) enters onto the premises of a relevant location and remains on those premises for at least 15 minutes; and

(ii) each time such a person enters, and remains, on those premises; and

(b) for the purpose of rapidly identifying possible contacts that may be exposed to the disease at, or in connection with, a relevant location, the following information is required to be kept in respect of each person to whom this direction applies:

(i) the name of the person;

(ii) a telephone number by which the person is able to be contacted;

(iii) where practicable, an email address or email contact of the person, if any;

(iv) the date and time the person entered the premises of the relevant location; and

(c) subject to paragraph (e), a person to whom this direction applies must use the Check in TAS app to record the information required to be kept by the person under paragraph (b); and

(d) the owner or operator of a relevant location must –

(i) display, in prominent locations that are accessible by all persons who enter the premises of the relevant location, a QR code for the relevant location that is compatible with the Check in TAS app; and

(ii) for the purposes of enabling a person at the relevant location to provide the information required to be kept under paragraph (b) in respect of the person's entry on the premises of the relevant location, ensure that at least one of the following is in place in respect of the relevant location:

(A) a means of accessing the Check in TAS app is made available for persons who are unable to otherwise access the Check in TAS app as required under this direction;

(B) a means of keeping the information, required to be kept under paragraph (b) in respect of a person's entry on the premises of the relevant location, in accordance with paragraph (e); and

(iii) refuse a person entry onto the premises of the relevant location if –

(A) paragraph (a) applies to the entry of the person on the premises of the relevant location; and

(B) the person refuses to provide the information required to be kept under paragraph (b) in respect of the person's entry on the premises of the relevant location; and

(e) if the owner or operator of a relevant location knows, or reasonably ought to know, that the Check in TAS app is not available in respect of the relevant location, the owner or operator must ensure that the information required to be kept under paragraph (b) in respect of a person's entry on the premises of the relevant location is kept –

(i) while the Check in TAS app is not available; and

(ii) in a format that enables the Director of Public Health or his or her delegate, if required under paragraph (h) of this direction, to access the information for the purposes of this direction; and

(f) if the owner or operator of a relevant location knows, or reasonably ought to know, that the relevant location is outside the wireless network required to operate the Check in TAS app, paragraph (d)(i) and (ii) do not apply in respect of that location if the owner or operator of the location complies with paragraph (e); and

(g) information required to be kept in respect of a person under this direction –

(i) is information obtained for the purposes of –

(A) the management, detection, notification, treatment or prevention of the spread of the disease; or

(B) managing a threat to public health, or a likely threat to public health, as a result of the disease; or

(C) ensuring compliance with, and enforcing, this Act; and

(ii) must be kept, under this direction, for a period of at least 28 days after the person has entered onto the premises of the relevant location as recorded in the information; and

(iii) must not be used, or disclosed, other than as authorised under the Act; and

(h) the owner, or operator, of a relevant location –

(i) if requested to do so by the Director of Public Health or his or her delegate, must disclose information kept under this direction to the Director of Public Health or his or her delegate as soon as possible after the request has been made to the owner or operator; and

(ii) if information is disclosed under subparagraph (i), is taken to have been disclosed for a purpose specified in paragraph (g)(i); and

(i) in this direction –

(i) **Check in TAS app** means the application developed, for download to a mobile device, on behalf of the Department of Health of Tasmania for the purpose of rapidly identifying possible contacts that may be exposed to the disease at, or in connection with, a relevant location; and

(ii) **relevant location** means a business, or a premises used to operate, or provide, a business, service or gathering, specified in Schedule 1; and

(iii) **premises** has the same meaning as in the Act; and

(j) on 1 May 2021, the direction given by me, on 9 December 2020 and entitled *Contact tracing – No. 3*, is revoked.

Dated this 18th day of March 2021.

MARK VEITCH
Director of Public Health

Schedule 1

1. Restaurants, cafes and other retail food businesses and outlets, where food is sold for consumption at those premises.
2. Premises where alcohol is sold for consumption at those premises, including pubs, registered and licensed clubs and hotels, other than such part of those premises lawfully operated to provide alcohol for consumption at a location other than the premises.
3. A gathering, if a direction made under section 16 of the Act requires an event COVID safety plan, in a form approved by the Director of Public Health, to be developed and implemented in respect of the gathering.
4. Places of worship, religious gatherings, religious premises, and other similar premises, including premises used to perform a wedding or a funeral.
5. Cinemas, entertainment venues, casinos, gaming or other gambling venues, dance venues, night clubs, strip clubs, brothels and other similar premises.
6. Galleries, museums, national institutions, historic sites and other similar premises.

8. Tourism activities, and services, that are provided for consideration.
9. Concert venues, theatres, arenas, auditoriums, stadiums and other similar premises.
10. Amusement parks, arcades, play centres and other similar premises, regardless of whether the premises are an indoor space or an outdoor space, other than skate parks and playgrounds.
11. Auction houses, real estate auctions and houses open for inspection, including display homes.
12. Hair dressing and hair salons.
13. Beauty treatment premises, including body modifications, tattoos, piercing, waxing and nail services.
14. Spas and massage parlours and other similar premises.
15. Swimming pools, gymnasiums, health clubs, fitness centres, wellness centres (including yoga and barre premises) and other similar premises or venues, whether indoors or outdoors.
16. Venues used for sport or fitness, saunas, bath houses and other similar premises or venues, whether indoors or outdoors.
17. Premises used for personal training and other pre-arranged sporting activities.
18. Zoos, wildlife centres, animal parks, petting zoos, aquariums, marine parks or similar premises.

PUBLIC HEALTH ACT 1997

DIRECTION UNDER SECTION 16

(Testing of workers at quarantine sites – No. 1)

I, JULIE GRAHAM, the Deputy Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease "), direct that, commencing on 17 March 2021 –

(a) this direction applies to a person if the person was present on a quarantine site on or after the commencement of this direction; and

(b) paragraph (a) does not apply to a person who has been present on the quarantine site if –

(i) the person –

(A) is only present on the site for the purposes of delivering goods to, or collecting goods from, the site or providing necessary cleaning or sanitation services in respect of the site; and

(B) while present on the site, does not have contact with a person who is in isolation or quarantine at the site; and

(C) is only present on the site for a total period of not more than 30 minutes in a 24-hour period; or

(ii) the person is present on the site to isolate, or quarantine, in respect of the disease; and

(c) a person to whom this direction applies must, while this direction so applies to the person, undergo a saliva screening test on each day he or she is present on the relevant quarantine site for the person unless –

(i) the person has undergone a saliva screening test, or a nasal swab test, under this direction within the immediately preceding 12-hour period; or

(ii) on that day, there are no persons present on the site that are in isolation or quarantine in respect of the disease; or

(iii) the person is to undergo a nasal swab test on that day in accordance with paragraph (d); and

(d) subject to paragraph (e), a person to whom this direction applies must, while this direction so applies to the person, undergo a nasal swab test –

(i) within the test period after the day on which the person was present on the relevant quarantine site for the person; and

(ii) within the test period after the day on which the person last underwent a nasal swab test; and

(e) if, within the 14-day period immediately before the last day of the test period for a person to whom this direction applies, there were no persons in isolation or quarantine in respect of the disease present on each relevant quarantine site for the person, the person to whom this direction applies is not required to undergo a nasal swab test in accordance with paragraph (d); and

(f) this direction ceases to apply to a person if –

(i) the person has not been present on a quarantine site for at least a 14-day period; and

(ii) the person has undergone a nasal swab test for the disease in accordance with paragraph (d) at least 12 days after he or she was last present on such a site; and

(g) a person to whom this direction applies, or to whom this direction has applied, must provide, on the request of the Director of Public Health or his or her delegate, evidence to the satisfaction of the Director of Public Health, or his or her delegate, that the person has complied with this direction while it applied to the person; and

(h) as a result of a test for the disease undertaken under this direction by a person to whom this direction applies, the Director of Public Health, or his or her delegate, may require the person to take the action that the Director of Public Health or his or her delegate considers appropriate in the circumstances and is specified in the requirement; and

(i) the Director of Public Health, or his or her delegate, may exempt a person, or a specified class of persons, from all or part of this direction subject to such conditions as the Director of Public Health or his or her delegate considers appropriate in the circumstances; and

(j) in this direction –

(i) **nasal swab test** means a nucleic acid test for the genetic material of SARS-CoV-2, that is –

(A) conducted on a swab taken from a nostril of a person; and

(B) conducted by a laboratory with the relevant accreditation, for nucleic acid testing, by the National Association of Testing Authorities; and

(ii) **premises** has the same meaning as in the Act; and

(iii) **quarantine site** means the following premises:

(A) the premises situated at 173 Macquarie Street, Hobart that is being operated under the name "Ibis Styles";

(B) the premises situated at 156 Bathurst Street, Hobart that is being operated under the name "Best Western Hobart";

(C) the premises situated at 140 North Fenton Street, Devonport that is being operated under the name "Sunrise Motel"; and

(D) the premises situated at 28 Seaport Boulevard that is being operated under the name "Peppers Seaport Launceston"; and

(E) the premises situated at 1 Holyman Avenue, Cambridge that is being operated under the name "Travelodge Hotel Hobart Airport"; and

(iv) **relevant quarantine site**, in relation to a person, means a quarantine site that resulted, under paragraph (a), in this direction applying to the person; and

(v) **saliva screening test** means a nucleic acid test for the genetic material of SARS-CoV-2, that is –

(A) conducted on a sample of saliva taken from a person; and

(B) conducted by a laboratory that is approved by the Director of Public Health, or his or her delegate, for such a test; and

(vi) **test for the disease** means a saliva screening test or a nasal swab test; and

(vii) **test period** means a period no less than 5 days, and no greater than 8 days, calculated from, and including, the day from which the test period is to be calculated; and

(k) on 17 March 2021, the direction, given by the Director of Public Health on 8 December 2020 and entitled *"Testing of persons involved in international arrivals – No. 1"*, is revoked.

Dated this 18th day of March 2021.

JULIE GRAHAM
Deputy Director of Public Health

Rules Publication

Promotion Without Advertising

AGENCY: STATE GROWTH

It is my intention to request the Head of the State Service to exercise discretion to not advertise the following duties in accordance with section 40 (2) of the *State Service Act 2000* and to promote the following permanent employee:

Name: G Routley

Duties Assigned: Project Manager

Description of the Role: To develop, implement and evaluate programs and services that support growth and job creation, with a focus on supporting the delivery of Science, Technology and Digital Economy projects. Assist with the development and implementation of other projects and initiatives under the Science and Technology portfolio as required.

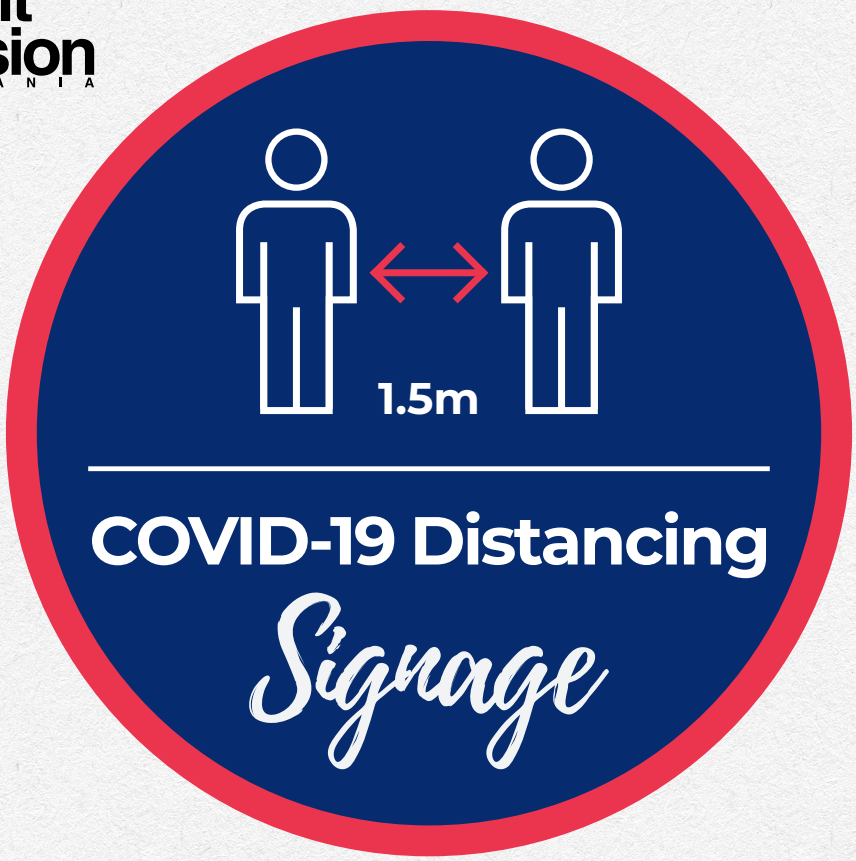
Essential Requirements: Nil

Desirable Requirements: Nil

State Service employees aggrieved by this intention may make application to the Tasmanian Industrial Commission for a review under section 50(1)(b) of the *State Service Act 2000*. Applications for review are to be lodged with the Tasmanian Industrial Commission within 14 days of the publication of this notice in the Tasmanian Government Gazette.

Signed: Kim Evans

The Print Division TASMANIA



Tasmanians have sacrificed a lot to control COVID-19.

Business needs to continue to support social distancing standards for their staff and customers.

Your COVID-19 distancing signage needs to be clear and visible, and conform to government guidelines.

The Print Division can customise your COVID-19 compliant signage and print.

Competitive pricing and fast turnaround.

We are here to help all Tasmanians get back to business

We care about **Human Rights** We care about **Our Neighbours** We care about **Our Planet**
