JANUARY TO JUNE 2008

VOLUME CCCX

AS far as is possible in this Index subject-matter is grouped under the Act which gave authority for, or the department or body which promulgated, the notice concerned.

The reference 'above' or 'below' infers that the subject heading referred to is in close proximity to such reference, and not in any other alphabetical section.

Municipal affairs are dealt with under 'CITIES/COUNCILS', but regard must be had as to whether the subject-matter is within the jurisdiction of the municipal body or is such as would be promulgated by an Act of Parliament or a Government Department acting under the provisions of an Act or Statutory Rule.

With regard to notices originating from governmental bodies or local authorities, entries are made under the title of the body concerned.
