## Erratum

Erratum: A Declaration of Prohibited Matter (*Coptotermes acinaciformis*, *Coptotermes frenchi*, and *Coptotermes lacteus*) under the *Biosecurity Act 2019* was published in the June 14 edition of the Gazette. The published declaration included a superfluous sentence. This was:

*Any seed (being a seed that has been dried, preserved or otherwise processed for the purpose of propagation) of the following species of plants, is declared to be prohibited matter for the purposes of the Act:*

This sentence was not intended to be published in the declaration, and should be disregarded.
