Current Board Vacancies (Volunteer positions)

The Hobart Women's Shelter (HWS) is a not-for-profit organisation that has been providing crisis and transitional accommodation to women and children experiencing homelessness and/or family violence for the past 50 years.

Our Mission is to champion the safety, wellbeing and development of women, their families, and the wider community through the provision of emergency accommodation, housing, education, and advocacy.

Our Vision is to create a safe and inclusive community free from homelessness, violence, inequality, and injustice and **our Values** include equality, safety, collaboration, integrity, innovation, and diversity.

HWS is committed to the safety and wellbeing of all children and young people accommodated at our properties and involved in our activities and programs.

The current strategic direction of the HWS is focused on advocating and supporting initiatives that create affordable housing for Tasmanian women and children.

We are seeking dynamic and committed individuals with governance and not for profit sector experience who are supportive of our vision, mission, and values, and can contribute positively to our strategic direction, to join our Volunteer Board.

We are working hard to ensure our Board represents the diversity across our society, and therefore we encourage applications from Aboriginal and Torres Strait Islander people and individuals from a culturally diverse background.

We also particularly encourage applications from people with experience in any of the following areas:

- A lived experience of family violence and/or homelessness.
- Social Housing – experience in developing and/or creating social or community housing projects.
- Philanthropy – a philanthropist or a passion for philanthropy, and experience in fundraising and/or support for charitable causes.
- Board governance – previous board experience and/or demonstrated knowledge of governance and risk management principles.

As a board member, you will play a crucial role in guiding our organisation's mission and helping us to achieve our goals.
