Fee Units

FEE UNITS ACT 1997

The *Fee Units Act 1997* (the Act) provides for automatic changes in Government fees and charges in accordance with movements in the Hobart Consumer Price Index (CPI). The Act also provides for adjustments to be made on the basis of factors other than movements in the CPI through a fee unit adjustment factor.

In accordance with section 7 of the Act, I give notice that:

- the value of a fee unit for the financial year commencing 1 July 2022 is \$1.70; and
- the adjustment factor used in the calculation of the fee unit is zero.

In determining the adjustment factor for the purpose of section 5(4) of the Act, the Treasurer, Hon Peter Gutwein MP, has taken into consideration that the overall cost to the Government in providing services for which fees are charged has increased at a rate that is not less than the average movement in the Hobart CPI from 2020 to 2021, being the period relevant to the calculation of a fee unit under the Act.

Dated this 31st day of January 2022.
