## Public Health

### PUBLIC HEALTH ACT 1997

#### DIRECTION UNDER SECTION 16

*(Arrival requirements for certain travellers into Tasmania – No. 4)*

I, SCOTT McKEOWN, the Deputy Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that –

- (a) a relevant traveller who arrives in Tasmania is required to undergo the following clinical assessments on the arrival of the relevant traveller in Tasmania:
  - (i) questions as to the health of the traveller, in respect of the clinical symptoms of the disease, on his or her arrival;
  - (ii) a check of the temperature of the traveller; and
- (b) a clinical assessment referred to in paragraph (a) is to be conducted by an authorised officer, a registered nurse or an enrolled nurse; and
- (c) a relevant traveller is taken to have complied with paragraph (a) in respect of a clinical assessment if –
  - (i) a person required to conduct the clinical assessment is not present at the location where the relevant traveller arrives in Tasmania at the time the relevant traveller arrives; and
  - (ii) the clinical assessment is conducted in accordance with this direction as soon as practicable, and no later than 24 hours, after the relevant traveller arrives in Tasmania; and
- (d) a relevant traveller who arrives in Tasmania as an unaccompanied minor is taken to have complied with paragraph (a) in respect of a clinical assessment if the clinical assessment is conducted, in accordance with this direction, no later than 24 hours after the relevant traveller arrives in Tasmania; and
- (e) paragraph (a) does not apply to a person who is not required to isolate or quarantine on his or her arrival in Tasmania, if –
  - (i) the person is arriving in Tasmania for the purposes of transport, freight or logistics; and
  - (ii) the person –
    - (A) does not leave the seaport or airport, where the person arrived in Tasmania, while the person remains in Tasmania; or
    - (B) remains in Tasmania for a period of less than 24 hours and, while the person remains in Tasmania, complies with the requirements of any directions under the *Public Health Act 1997* or the *Emergency Management Act 2006*; or
    - (C) provides evidence of a negative test for the disease that has been performed on the person in the 7-day period before he or she arrived and the person has not had a positive test for the disease within that 7-day period; and
- (f) as a result of a clinical assessment of a relevant traveller under paragraph (a), the Director of Public Health, or his or her delegate, may require the relevant traveller to take the action that the Director of Public Health or his or her delegate considers appropriate in the circumstances and specifies in the requirement; and

- (g) in addition to the requirements of paragraph (a) –
  - (i) a relevant traveller, other than a relevant traveller to whom paragraph (e)(ii)(C) applies, is required to undergo a test for the disease within 24 hours after he or she arrives in Tasmania, if the relevant traveller –
    - (A) within the 14-day period before arriving in Tasmania, has spent time in a high risk area, as determined by the Director of Public Health, other than time spent transiting directly through the area; and
    - (B) is not required to isolate or quarantine on his or her arrival in Tasmania; and
  - (ii) if a relevant traveller to whom paragraph (e)(ii)(C) applies has spent time in a high risk area, as determined by the Director of Public Health within the 14-day period before arriving in Tasmania, the relevant traveller is required, while he or she remains in Tasmania, to –
    - (A) undergo a test for the disease within each 7-day period after his or her last preceding test for the disease; and
    - (B) carry evidence of the date of his or her last test for the disease; and
  - (iii) a relevant traveller is required to undergo a test for the disease before the 3rd day after he or she arrives in Tasmania and on, or as soon as practicable after, the 10th day after he or she arrives in Tasmania, if the relevant traveller –
    - (A) within the 14-day period before arriving in Tasmania, has spent time in a high risk area, as determined by the Director of Public Health, other than time spent transiting directly through the area; and
    - (B) is required to isolate or quarantine on his or her arrival in Tasmania; and
  - (iv) if a relevant traveller is required to isolate or quarantine on his or her arrival in Tasmania, the relevant traveller is required to undergo a test for the disease before the 3rd day after he or she arrives in Tasmania and on, or as soon as practicable after, the 10th day after he or she arrives in Tasmania, if the relevant traveller –
    - (A) has spent time in a country other than Australia, or New Zealand, within the 28-day period before arriving in Tasmania; and
    - (B) has not completed isolation, or quarantine, requirements imposed by the Commonwealth, or a State or Territory of Australia, since his or her return to Australia from the other country; and
- (h) paragraph (g)(iii) and (iv) does not apply to a relevant traveller if the relevant traveller is required to isolate in respect of the disease under another direction under section 16 or 42 of the Act; and
- (i) if a relevant traveller is required to isolate or quarantine on arriving in Tasmania, the relevant traveller must wear a mask from the time of his or her arrival in Tasmania until the relevant traveller arrives at the part, of premises, where he or she intends to isolate or quarantine as so required; and

- (j) the Director of Public Health, or his or her delegate, may exempt a person, or a specified class of persons, from undergoing one or more of the clinical assessments and tests required under this direction, subject to the conditions, if any, that the Director of Public Health or his or her delegate, respectively, consider appropriate in the circumstances; and
- (k) in this direction –
  - (i) **arrives in Tasmania**, in relation to a person, means that the person has entered the land within Tasmania; and

  - (vi) **transiting directly**, through an area, means the person transiting through the area only stopped in the area to –
    - (A) disembark, at an airport within the area, from a flight that originated outside the area, if the person only leaves that airport on a flight where the destination is outside of the area; or
    - (B) refuel the vehicle being used to transit through the area; and
- (l) the direction under section 16 of the Act, entitled *Arrival requirements for certain travellers into Tasmania – No. 3*, given by me on 18 December 2020, is revoked.

Dated this 14th day of January 2021.

SCOTT McKEOWN  
Deputy Director of Public Health

PUBLIC HEALTH ACT 1997  
DIRECTION UNDER SECTION 16

(Isolation – No. 4)

I, SCOTT McKEOWN, the Deputy Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* (“the Act”), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 (“the disease”), direct that –

- (a) each person diagnosed with the disease must, on being diagnosed with the disease –
  - (i) travel directly to, or remain at, a suitable place in respect of the person; and
  - (ii) remain, subject to paragraph (b), at that place until the person has been informed by a relevant authority that the person is released from isolation in accordance with paragraph (d); and
- (b) a person diagnosed with the disease must remain at a suitable place unless –
  - (i) the person is travelling directly to, or from, another suitable place; or
  - (ii) there is an emergency that requires the person to leave the suitable place to protect his or her personal safety, or the safety of another, and the person immediately returns to a suitable place as soon as the emergency has passed; and
- (c) a person who leaves a suitable place before he or she is released from isolation must wear a fitted face covering that fits securely around the face and is designed, or made, to be worn over the nose and mouth to provide protection against infection –
  - (i) unless –
    - (A) the person has left the suitable place due to an emergency in accordance with paragraph (b)(ii); and
    - (B) it is not practicable in the circumstances for the person to obtain, or wear, the fitted face covering; or
  - (ii) unless the person holds an exemption, or is a person within a class of persons specified in an exemption, from the requirements of this paragraph that is given by the Director of Public Health or his or her delegate; and
- (d) unless otherwise directed by the Director of Public Health or his or her delegate, a person diagnosed with the disease is released from isolation by a relevant authority if the relevant authority is satisfied that the person meets the relevant release from isolation criteria for the person, as specified in the *Coronavirus Disease 2019 (COVID-19) CDNA National Guidelines for Public Health Units*; and
- (e) until a person diagnosed with the disease has been released from isolation in accordance with paragraph (d), the person must not have contact with another person unless –
  - (i) the other person –
    - (A) is providing medical care or treatment to the person so diagnosed or providing assistance to the person providing that medical care or treatment; or
    - (B) is responding to an emergency, whether that emergency is medical or otherwise; or
    - (C) is also diagnosed with the disease; or
    - (D) has not attained the age of 18 and the person diagnosed with the disease is the sole available care giver for the other person; or

- (ii) the contact does not require the two persons to be in the same physical space while the contact occurs; and
- (f) in this direction –
  - (i) **Coronavirus Disease 2019 (COVID-19) CDNA National Guidelines for Public Health Units** means the national guidelines, published on 12 January 2021 by the Communicable Diseases Network Australia and endorsed by the Australian Health Protection Principle Committee, as amended or substituted from time to time; and
  - (ii) **premises** has the same meaning as in the Act; and
  - (iii) **relevant authority** means –
    - (A) a medical practitioner; or
    - (B) such other person approved by the Director of Public Health, or his or her delegate, as a relevant person; and
  - (iv) **suitable place**, in relation to a person diagnosed with the disease, means –
    - (A) if the person requires medical treatment, the hospital, or another place, for medical treatment as directed by –
      - (I) the person who diagnosed the disease; or
      - (II) the operator of the Tasmanian Public Health Hotline, operated by the Department of Health in respect of the disease, who is responding to a call to that Hotline by the person; or
      - (III) a person registered under the *Health Practitioner Regulation National Law (Tasmania)* in the medical, dental, paramedicine or midwifery profession; or
    - (B) if the person does not require medical treatment and intends to isolate at his or her primary residence, the primary residence of the person; or
    - (C) if the person does not require medical treatment and does not intend, or is unable, to isolate at his or her primary residence, other premises that are approved by the Director of Public Health, or his or her delegate, as suitable premises for the person to be in isolation; or
    - (D) the place where the person has been directed, under the Act or the *Emergency Management Act 2006*, to complete his or her isolation; or
    - (E) if the person is in isolation at premises other than his or her primary residence and wishes to return to his or her primary residence, the primary residence of the person if the Director of Public Health, or his or her delegate, has approved the relocation to the primary residence; and
- (g) the direction under section 16 of the Act, entitled *Isolation – No. 3*, given by the Director of Public Health on 9 December 2020, is revoked.

Dated this 14th day of January 2021.

SCOTT McKEOWN  
Deputy Director of Public Health

PUBLIC HEALTH ACT 1997  
DIRECTION UNDER SECTION 16

(Quarantine – No. 2)

I, SCOTT McKEOWN, the Deputy Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* (“the Act”), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 (“the disease”), direct that –

- (a) an identified contact must, on being notified that he or she is a primary close contact –
  - (i) travel directly to a suitable place in respect of the primary close contact; and
  - (ii) undergo a test for the disease as soon as is practicable; and
  - (iii) remain, subject to paragraphs (d) and (h), in quarantine at that place until the first of the following:
    - (A) if the suitable place of the primary close contact is premises where there are no other identified contacts in quarantine or persons diagnosed with the disease in isolation, at least 14 days have passed since the primary close contact was last exposed, or was last suspected by the Director of Public Health or his or her delegate of being exposed, to the disease;
    - (B) if the suitable place of the primary close contact is premises where another identified contact is also in quarantine or a person diagnosed with the disease is also in isolation –
      - (I) if there is no person diagnosed with the disease in isolation at the premises, until all identified contacts in quarantine at the premises are no longer required to quarantine in respect of the disease; or
      - (II) if there is a person diagnosed with the disease in isolation at the premises, at least 14 days have passed since each person diagnosed with the disease at those premises has been released from that isolation under the Act; and
- (b) an identified contact who has been notified that he or she is a casual contact must, on being notified that he or she is required to quarantine under this direction –
  - (i) travel directly to a suitable place in respect of the casual contact; and
  - (ii) remain, subject to paragraphs (d) and (h), in quarantine at that place until the first of the following:
    - (A) if the suitable place of the casual contact is premises where there are no other identified contacts in quarantine or persons diagnosed with the disease in isolation, at least 14 days have passed since the casual contact was last exposed, or was last suspected by the Director of Public Health or his or her delegate of being exposed, to the disease;
    - (B) if the suitable place of the casual contact is premises where another identified contact is also in quarantine or a person diagnosed with the disease is also in isolation –
      - (I) if there is no person diagnosed with the disease in isolation at the premises, until all identified contacts in quarantine at the premises are no longer required to quarantine in respect of the disease; or

- (II) if there is a person diagnosed with the disease in isolation at the premises, at least 14 days have passed since each person diagnosed with the disease at those premises has been released from that isolation under the Act;
- (C) the Director of Public Health, or his or her delegate, has requested the casual contact undergo a test for the disease and, as a result of that test, the casual contact is negative for the disease; and
- (c) an identified contact must, on being notified that he or she is a secondary close contact –
  - (i) travel directly to a suitable place in respect of the secondary close contact; and
  - (ii) remain, subject to paragraphs (d) and (h), in quarantine at that place until the first of the following:
    - (A) if the suitable place of the secondary close contact is premises where there are no other identified contacts in quarantine or persons diagnosed with the disease in isolation, at least 14 days have passed since the secondary close contact was last exposed, or was last suspected by the Director of Public Health or his or her delegate of being exposed, to the disease;
    - (B) if the suitable place of the secondary close contact is premises where another identified contact is also in quarantine or a person diagnosed with the disease is also in isolation –
      - (I) if there is no person diagnosed with the disease in isolation at the premises, until all identified contacts in quarantine at the premises are no longer required to quarantine in respect of the disease; or
      - (II) if there is a person diagnosed with the disease in isolation at the premises, at least 14 days have passed since each person diagnosed with the disease at those premises has been released from that isolation under the Act;
    - (C) the Director of Public Health, or his or her delegate, has requested the secondary close contact undergo a test for the disease and, as a result of that test, the secondary close contact is negative for the disease;
    - (D) the Director of Public Health, or his or her delegate, has notified the secondary close contact that he or she may exit quarantine in respect of the disease; and
- (d) an identified contact must remain at a suitable place while he or she is required to quarantine under this direction unless –
  - (i) the identified contact is travelling directly to, or from, another suitable place; or
  - (ii) the identified contact is travelling directly to, or from, a location where he or she is undertaking a test for the disease as required under this direction; or
  - (iii) there is an emergency that requires the identified contact to leave the suitable place to protect his or her personal safety, or the safety of another, and the identified contact immediately returns to a suitable place as soon as the emergency has passed; and
- (e) an identified contact who leaves a suitable place before he or she exits quarantine must wear a fitted face covering that fits securely around the face and is designed, or made, to be worn over the nose and mouth to provide protection against infection –
  - (i) unless –
    - (A) the person has left the suitable place due to an emergency in accordance with paragraph (d)(iii); and
    - (B) it is not practicable in the circumstances for the person to obtain, or wear, the fitted face covering; or
  - (ii) unless the person holds an exemption, or is a person within a class of persons specified in an exemption, from the requirements of this paragraph that is given by the Director of Public Health or his or her delegate; and
- (f) an identified contact must, while in quarantine in respect of the disease –
  - (i) monitor his or her health for clinical symptoms of the disease; and
  - (ii) if he or she develops clinical symptoms of the disease, undergo a test for the disease as soon as practicable; and
- (g) in addition to paragraphs (a)(ii) and (f), an identified contact who is a primary close contact must undergo a test for the disease if requested to do so by the Director of Public Health or his or her delegate; and
- (h) if an identified contact refuses to undergo a test of the disease as required under this direction, the Director of Public Health or his or her delegate may require the identified contact to remain in quarantine under this direction for such further period as is specified by the Director of Public Health or his or her delegate; and
- (i) in this direction –
  - (i) **casual contact** has the same meaning as a casual contact, or casual close contact, in the *Coronavirus Disease 2019 (COVID-19) CDNA National Guidelines for Public Health Units*; and
  - (ii) **clinical symptoms of the disease** means the following symptoms:
    - (A) a temperature of 37.5°C or more;
    - (B) night sweats;
    - (C) chills;
    - (D) coughing;
    - (E) shortness of breath;
    - (F) sore throat;
    - (G) loss of taste;
    - (H) loss of smell; and
  - (iii) **Coronavirus Disease 2019 (COVID-19) CDNA National Guidelines for Public Health Units** means the national guidelines, published on 12 January 2021 by the Communicable Diseases Network Australia and endorsed by the Australian Health Protection Principle Committee, as amended or substituted from time to time; and
  - (iv) **identified contact** means a primary close contact, a casual contact or a secondary close contact; and
  - (v) **premises** has the same meaning as in the Act; and

- (vi) **primary close contact** has the same meaning as in the *Coronavirus Disease 2019 (COVID-19) CDNA National Guidelines for Public Health Units*; and
- (vii) **secondary close contact** has the same meaning as in the *Coronavirus Disease 2019 (COVID-19) CDNA National Guidelines for Public Health Units*; and
- (viii) **suitable place**, in respect of an identified contact, means –
  - (A) if the identified contact requires medical treatment, the hospital, or another place, for medical treatment as directed by –
    - (I) the operator of the Tasmanian Public Health Hotline, operated by the Department of Health in respect of the disease, who is responding to a call to that Hotline by the identified contact; or
    - (II) a person registered under the *Health Practitioner Regulation National Law (Tasmania)* in the medical, dental, paramedicine or midwifery profession; or
  - (B) if the identified contact intends to be in quarantine at his or her primary residence, the primary residence of the identified contact; or
  - (C) if the identified contact does not intend, or is unable, to be in quarantine at his or her primary residence, other premises that are approved by the Director of Public Health, or his or her delegate, as suitable premises for the identified contact to be in quarantine; or
  - (D) the place where the identified contact has been directed, under the Act or the *Emergency Management Act 2006*, to complete his or her quarantine; or
  - (E) if the identified contact is in quarantine at premises other than his or her primary residence and wishes to return to his or her primary residence, the primary residence of the identified contact if the Director of Public Health, or his or her delegate, has approved the relocation to the primary residence; and
- (ix) **test for the disease** means a nucleic acid detection test, for the genetic material of SARS-CoV-2, conducted by a laboratory with the relevant accreditation, for such a test, by the National Association of Testing Authorities; and
- (j) the direction under section 16 of the Act, entitled *Quarantine – No. 1*, given by the Director of Public Health on 17 April 2020, is revoked.

Dated this 14th day of January 2021.

### Promotion Without Advertising

#### AGENCY: EDUCATION

It is my intention to request the Head of the State Service to exercise discretion to not advertise the following duties in accordance with section 40 (2) of the *State Service Act 2000* and to promote the following permanent employee:

**Name:** J Coombes

**Duties Assigned:** Assistant Manager (Recruitment)

**Description of the Role:** To plan and co-ordinate major recruitment activities, including annual Teacher and Principal recruitment drives, together with initiating and managing projects and systems, developing policies and procedures, and leading both project and operational teams within the section.

**Essential Requirements:** The Registration to Work with *Vulnerable People Act 2013* requires persons undertaking work in a regulated activity to be registered. A regulated activity is a child related service or activity defined in the Registration to Work with Vulnerable People Regulations 2014. This registration must remain current and valid at all times whilst employed in this role and the status of this may be checked at any time during employment.

- Current Tasmanian Registration to Work with Vulnerable People (Registration Status – Employment)

**Desirable Requirements:** The completion of tertiary qualifications in a Human Resource Management or other relevant field, or a significant background in Human Resources Management.

State Service employees aggrieved by this intention may make application to the Tasmanian Industrial Commission for a review under section 50(1)(b) of the *State Service Act 2000*. Applications for review are to be lodged with the Tasmanian Industrial Commission within 14 days of the publication of this notice in the Tasmanian Government Gazette

**Signed:** T Bullard
