## Public Health

PUBLIC HEALTH ACT 1997  
DIRECTION UNDER SECTION 16  
(*Residential Aged Care Facilities – No. 13*)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that, commencing at 12.01 am on 6 August 2021 –

- (a) subject to paragraph (b), a person must not enter, or remain on, the premises of a residential aged care facility in Tasmania unless –
- (i) the person is a resident of the residential aged care facility; or
  - (ii) the person is an employee or contractor of the residential aged care facility; or
  - (iii) the person's presence at the premises is for the purposes of providing goods or services in respect of the residential aged care facility, whether the goods or services are provided for consideration or on a voluntary basis; or
  - (iv) the person's presence at the premises is for the purposes of providing goods or services to a resident of the residential aged care facility, whether the goods or services are provided for consideration or on a voluntary basis; or
  - (v) the person's presence at the premises is for the purposes of end of life support for a resident of the residential aged care facility; or
  - (vi) the person's presence at the premises is for the purposes of a care and support visit to a resident of the residential aged care facility and the resident has not had more than one other person present on the premises for that purpose on that day; or
  - (vii) the person –
    - (A) is a key support person for a resident of the residential aged care facility who has a diagnosed medical condition; and
    - (B) is present at the premises at the request of the operator of the residential aged care facility and for the purpose of providing essential support to the resident by reducing distress or confusion that has occurred in respect of the resident as a result of the medical condition; or
  - (viii) the person's presence at the premises is required for the purposes of emergency management or law enforcement; and
- (b) despite paragraph (a), a person referred to in paragraph (a)(ii), (iii), (iv), (v), (vi) or (vii) must not enter, or remain on, the premises of a residential aged care facility in Tasmania if –
- (i) during the 14-day period immediately preceding the entry, the person arrived in Tasmania from a place outside of Tasmania that is a medium risk area or premises, or a high risk area or premises, as determined by the Director of Public Health or his or her delegate; or
  - (ii) during the 14-day period immediately preceding the entry, the person had known contact with a person who –
    - (A) has been diagnosed with the disease; or
    - (B) is reasonably suspected of having the disease; or
  - (iii) the person has one or more clinical symptoms of the disease; or
  - (iv) the person is required to be in isolation or quarantine, in respect of the disease, under the Act or the *Emergency Management Act 2006*; and
- (c) paragraph (b)(i), (ii) and (iv) does not apply in respect of a person if –
- (i) the Director of Public Health, or his or her delegate, is satisfied that the person is entering, or remaining on, the premises of the residential aged care facility for the purpose of providing end of life support for a resident; and
  - (ii) the Director of Public Health, or his or her delegate, has authorised the person to enter, or remain on, those premises for that purpose; and
  - (iii) in addition to any other legal requirements under the Act, the person complies with any additional requirements imposed on the person by the Director of Public Health, or his or her delegate, to ensure the safety of the person, the staff of the residential aged care facility and the residents at the residential aged care facility; and
- (d) paragraph (b)(iii) does not apply in respect of a person if the person is entering, or remaining on, the premises of the residential aged care facility for the purpose of providing end of life support for a resident; and
- (e) paragraphs (b) and (i) do not apply in respect of a person entering the premises of a residential aged care facility for the purposes of providing emergency medical treatment (including transport), emergency management or law enforcement services; and
- (f) paragraph (b)(ii) does not apply in respect of a person entering the premises of a residential aged care facility if –
- (i) the known contact with another person, diagnosed with the disease or reasonably suspected of having the disease, occurred as part of the person's employment; and
  - (ii) the person was wearing PPE consistent with, or at the level required by, the National Guidelines for public health units developed by the Communicable Diseases Network Australia in respect of the disease; and
  - (iii) there was no breach to the PPE during that contact with the other person; and
- (g) the operator of a residential aged care facility in Tasmania must take all reasonable steps to ensure that a person does not enter, or remain on, the premises of the residential aged care facility if the person is prohibited from doing so under paragraph (a) or (b); and
- (h) for the avoidance of doubt, paragraphs (b) and (g) do not prevent a person who is a resident of a residential aged care facility from leaving, and returning to, the premises of the residential aged care facility; and

- (i) the operator of a residential aged care facility in Tasmania must ensure that all persons who enter, or remain on, the premises of the residential aged care facility have been screened, as directed by the Director of Public Health or his or her delegate from time to time, before the person so enters, or remains on, the premises; and
- (j) a person who enters, or remains on, the premises of a residential aged care facility must wear a fitted face covering while the person remains on the premises of that facility; and
- (k) paragraph (j) does not apply in respect of the following persons:
  - (i) a resident of a residential aged care facility, while he or she is on the premises of that facility;
  - (ii) a child who has not attained the age of 12 years;
  - (iii) a person who –
    - (A) holds a medical certificate, or other documentation by a medical practitioner, within the meaning of the *Acts Interpretation Act 1931*, that certifies that the person has a physical, or mental health, illness, condition or disability that makes the wearing of a fitted face covering unsuitable; and
    - (B) produces a legible copy of the medical certificate, or other documentation, if requested to do so by a person in authority;
  - (iv) a person who –
    - (A) holds an exemption, or is a person within a class of persons specified in an exemption, from the requirements of paragraph (j) that is given by the Director of Public Health or his or her delegate; and
    - (B) produces a legible copy of the exemption if requested to do so by a person in authority; and
- (l) paragraph (j) does not apply to a person in the following circumstances if the person wears a fitted face covering as soon as is practicable after the relevant circumstances end:
  - (i) the person removes the fitted face covering to communicate with a person who is deaf, or has impaired hearing, and visibility of the mouth is essential for the communication;
  - (ii) the wearing of the fitted face covering would create a risk to the health or safety of the person;
  - (iii) the person removes the fitted face covering to enable clear enunciation, or visibility of the mouth, as part of his or her employment or training;
  - (iv) the person is orally consuming food, drink or medicine;
  - (v) the person is undergoing medical care, or treatment, that is unable to be provided while the person wears a fitted face covering;
  - (vi) the person is requested to remove the fitted face covering, by a person in authority, to ascertain or confirm the identity of the person;
  - (vii) the person may lawfully remove, or is lawfully required to remove, the fitted face covering;
  - (viii) an emergency where it is not practicable or safe to wear the fitted face covering;
  - (ix) such other circumstances that are specified in an exemption, from the requirements of paragraph (j), that is given by the Director of Public Health or his or her delegate; and
- (m) a person required to wear a fitted face covering under paragraph (j), other than a person to whom paragraph (k) applies, must carry a fitted face covering while he or she remains on the premises of a residential aged care facility; and
- (n) in this direction –
  - (i) **care and support visit**, in relation to a resident at a residential aged care facility, means a visit made to the resident –
    - (A) by a single person or no more than 2 persons together; and
    - (B) in one of the following locations:
      - (I) in the resident's room, outdoors or in a specific non-communal area, as designated by the residential aged care facility;
      - (II) in a specific communal area, as designated by the residential aged care facility, if each person in that area maintains, where practicable, a distance of not less than 1.5 metres between the person and each other person in the area; and
    - (C) for the purposes of providing care and support to the resident; and
  - (ii) **clinical symptoms of the disease** means the following symptoms:
    - (A) a temperature of 37.5°C or more;
    - (B) night sweats;
    - (C) chills;
    - (D) coughing;
    - (E) shortness of breath;
    - (F) sore throat;
    - (G) loss of taste;
    - (H) loss of smell; and
  - (iii) **fitted face covering** means a covering, other than a shield, that fits securely around the face and is designed, or made, to be worn over the nose and mouth to provide protection against infection; and
  - (iv) **flexible care subsidy** has the same meaning as in the *Aged Care Act 1997* of the Commonwealth; and
  - (v) **key support person**, in relation to a resident of a residential aged care facility with a diagnosed medical condition, means a person who has been identified, by the operator of that facility, as a person who has the ability to reduce distress or confusion that has occurred in respect of the resident as a result of the medical condition;

MARK VEITCH  
Director of Public Health

PUBLIC HEALTH ACT 1997  
DIRECTION UNDER SECTION 16  
(Arrival requirements for certain travellers into  
Tasmania – No. 8)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that –

- (a) a relevant traveller who arrives in Tasmania is required to undergo the following clinical assessments on the arrival of the relevant traveller in Tasmania:
  - (i) questions as to the health of the traveller, in respect of the clinical symptoms of the disease, on his or her arrival;
  - (ii) a check of the temperature of the traveller; and
- (b) a clinical assessment referred to in paragraph (a) is to be conducted by an authorised officer, a registered nurse or an enrolled nurse; and
- (c) a relevant traveller is taken to have complied with paragraph (a) in respect of a clinical assessment if –
  - (i) a person required to conduct the clinical assessment is not present at the location where the relevant traveller arrives in Tasmania at the time the relevant traveller arrives; and
  - (ii) the clinical assessment is conducted in accordance with this direction as soon as practicable, and no later than 24 hours, after the relevant traveller arrives in Tasmania; and
- (d) a relevant traveller who arrives in Tasmania as an unaccompanied minor is taken to have complied with paragraph (a) in respect of a clinical assessment if the clinical assessment is conducted, in accordance with this direction, no later than 24 hours after the relevant traveller arrives in Tasmania; and
- (e) paragraph (a) does not apply to a person who is not required to isolate or quarantine on his or her arrival in Tasmania, if –
  - (i) the person is arriving in Tasmania for the purposes of transport, freight or logistics; and
  - (ii) the person –
    - (A) does not leave the seaport or airport, where the person arrived in Tasmania, while the person remains in Tasmania; or
    - (B) remains in Tasmania for a period of less than 24 hours and, while the person remains in Tasmania, complies with the requirements of any directions under the *Public Health Act 1997* or the *Emergency Management Act 2006*; or
    - (C) provides evidence of a negative test for the disease that has been performed on the person in the 7-day period before he or she arrived and the person has not had a positive test for the disease within that 7-day period; and
- (f) as a result of a clinical assessment of a relevant traveller under paragraph (a), the Director of Public Health, or his or her delegate, may require the relevant traveller to take the action that the Director of Public Health or his or her delegate considers appropriate in the circumstances and specifies in the requirement; and
- (g) in addition to the requirements of paragraph (a) –
  - (i) a relevant traveller, other than a relevant traveller to whom paragraph (e)(ii)(C) applies, is required to undergo a test for the disease within 24 hours after he or she arrives in Tasmania and on, or as soon as practicable after, both the 7th day and the 12th day after he or she arrives in Tasmania, if the relevant traveller –
    - (A) within the 14-day period before arriving in Tasmania, has spent time in a high risk area or premises, as determined by the Director of Public Health or his or her delegate, other than time spent transiting directly through the area; and
    - (B) is not required to isolate or quarantine on his or her arrival in Tasmania; and
    - (C) has not left Tasmania since he or she so arrived in Tasmania; and
  - (ii) if a relevant traveller to whom paragraph (e)(ii)(C) applies has spent time in a high risk area or premises, as determined by the Director of Public Health or his or her delegate, within the 14-day period before arriving in Tasmania, the relevant traveller is required, while he or she remains in Tasmania, to –
    - (A) undergo a test for the disease within each 7-day period after his or her last preceding test for the disease until –
      - (I) at least 14 days have passed since he or she so arrived in Tasmania; and
      - (II) he or she has undergone at least 2 tests for the disease since he or she last spent time in the high risk area or premises; and
    - (B) carry evidence of the date of his or her last test for the disease; and
  - (iii) a relevant traveller is required to undergo a test for the disease before the 3rd day after he or she arrives in Tasmania and on, or as soon as practicable after, the 12th day after he or she arrives in Tasmania, if the relevant traveller –
    - (A) within the 14-day period before arriving in Tasmania, has spent time in a high risk area or premises, as determined by the Director of Public Health or his or her delegate, other than time spent transiting directly through the area; and
    - (B) is required to isolate or quarantine on his or her arrival in Tasmania; and

- (iv) if a relevant traveller is required to isolate or quarantine on his or her arrival in Tasmania, other than a relevant traveller to whom sub-paragraph (v) applies, the relevant traveller is required to undergo a test for the disease before the 3rd day after he or she arrives in Tasmania and on, or as soon as practicable after, the 12th day after he or she arrives in Tasmania, if –
- (A) where the relevant traveller arrives in Tasmania due to his or her employment or engagement as a crewmember of a vessel, the relevant traveller has spent time in a country other than Australia or New Zealand, or spent time in an at-risk area of New Zealand, within the 28-day period before arriving in Tasmania; and
- (B) for any other relevant traveller, the relevant traveller has spent time in a country other than Australia or New Zealand, or spent time in an at-risk area of New Zealand, within the 14-day period before arriving in Tasmania; and
- (C) the relevant traveller has not completed isolation, or quarantine, requirements imposed by the Commonwealth, or a State or Territory of Australia, since his or her return to Australia from the other country; and
- (v) if a relevant traveller –
- (A) arrives in Tasmania from a country other than Australia or New Zealand, or from an at-risk area of New Zealand, due to his or her employment or engagement as a crewmember of an aircraft; and
- (B) is required to isolate or quarantine on his or her arrival in Tasmania –
- the relevant traveller is required to undergo a test for the disease –
- (C) as soon as is practicable, and no later than 24 hours, after his or her arrival in Tasmania unless he or she has had a test for the disease, performed in Australia within the 7-day period immediately before his or her arrival in Tasmania, that was negative for the disease; and
- (D) within each 7-day period after his or her last preceding test for the disease, performed in Australia, until –
- (I) at least 14 days have passed since he or she so arrived in Tasmania; and
- (II) he or she has undergone at least 2 tests for the disease since he or she last arrived in Tasmania; and
- (h) paragraph (g)(iii), (iv) and (v) does not apply to a relevant traveller if the relevant traveller is required to isolate in respect of the disease under another direction under section 16 or 42 of the Act; and
- (i) if a relevant traveller is required to isolate or quarantine on arriving in Tasmania, the relevant traveller must wear a mask from the time of his or her arrival in Tasmania until the relevant traveller arrives at the part, of premises, where he or she intends to isolate or quarantine as so required; and
- (j) the Director of Public Health, or his or her delegate, may exempt a person, or a specified class of persons, from undergoing one or more of the clinical assessments and tests required under this direction, subject to the conditions, if any, that the Director of Public Health or his or her delegate, respectively, consider appropriate in the circumstances; and
- (k) in this direction –
- (i) **arrives in Tasmania**, in relation to a person, means that the person has entered the land within Tasmania; and
- (ii) **at-risk area of New Zealand** means an area, or premises, within New Zealand which the Director of Public Health, or his or her delegate, has determined to be a high risk, or medium risk, to public health in respect of the disease; and
- (iii) **authorised officer** has the same meaning as in the *Emergency Management Act 2006*; and
- (iv) **clinical symptoms** of the disease means the following symptoms:

PUBLIC HEALTH ACT 1997  
DIRECTION UNDER SECTION 16

*(Stay at home requirements – Travellers from  
Queensland - No.3)*

I, JULIE GRAHAM, the Deputy Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that, commencing at 7.00 pm on 8 August 2021 –

- (a) this direction applies to a person in Tasmania who was in a relevant local government area in Queensland at any time on or after 29 July 2021 but before 4.00 pm on 8 August 2021 except where the person –
- (i) has only been in that area in Queensland for the purpose of transiting through the area; and
  - (ii) only broke his or her journey in that area for the purpose of obtaining fuel or boarding an aircraft; and
- (b) a person to whom this direction applies must, subject to any other law or legal instrument, and unless directed to isolate or quarantine under another direction under the Act or the *Emergency Management Act 2006*, remain in, or on, the person's primary residence unless the person leaves the primary residence for the purposes of –
- (i) shopping for food, beverages, fuel, medicine and urgent household supplies; or
  - (ii) undertaking personal exercise in an outdoor area; or
  - (iii) attending medical, or health care, appointments or for medical treatment, including to be tested for the disease, other than an appointment to be vaccinated for the disease; or
  - (iv) seeking veterinary services, within the meaning of the *Veterinary Surgeons Act 1987*, that are urgently required for an animal; or
  - (v) providing reasonable measures, within the meaning of section 6 of the *Animal Welfare Act 1993*, that are required to ensure the welfare of an animal that the person has in his or her care or charge, within the meaning of that Act; or
  - (vi) attending school, within the meaning of the *Education Act 2016*, if unable to be undertaken at the person's primary residence; or
  - (vii) attending child care, within the meaning of the *Child Care Act 2001*, where the parent, or carer, in relation to the child attending child care is not able to undertake work or study from his or her primary residence; or
  - (viii) attending work, if unable to be undertaken at the person's primary residence; or
  - (ix) providing support, or care, to another person due to –
    - (A) age, infirmity, illness or a chronic health condition; or
    - (B) other matters relating to the person's health, including mental health, pregnancy and end of life care; or
  - (x) facilitating shared custody or parenting arrangements, family contact arrangements (whether court ordered or otherwise), guardianship or other care arrangements; or
  - (xi) relocating to another primary residence, if the person is unable to remain in his or her primary residence while this direction is in force; or
- (ii) leaving Tasmania without the intention of returning while this direction is in force; or
- (xiii) as required or authorised by law; or
- (xiv) in an emergency to avoid injury or illness, or to escape harm including harm relating to family violence or violence of another person at the premises; and
- (c) a person to whom this direction applies who leaves his or her primary residence for a purpose referred to in paragraph (b)(i) must not travel further than five kilometres, by road, from the person's primary residence except where –
- (i) it is not reasonably practicable for the person to obtain the necessary goods or services within five kilometres; and
  - (ii) the person travels to the nearest location where the necessary goods and services can reasonable be sought or purchased; and
- (d) a person to whom this direction applies who leaves his or her primary residence for a purpose referred to in paragraph (b)(ii) –
- (i) must not travel further than five kilometres, by road, from the person's primary residence except where if it is not reasonably practicable for the person to undertake personal exercise within five kilometres due to mobility or safety reasons; and
  - (ii) may only undertake personal exercise with –
    - (A) persons who ordinarily reside at the same primary residence; or
    - (B) one other person who does not ordinarily reside at the same primary residence if the person considers it necessary for safety reasons; and
- (e) a person to whom this direction who leaves the person's primary residence for a purpose referred to in paragraph (b) –
- (i) must travel by the most direct and practicable route available without stopping, other than as required by law or as necessary to purchase fuel or break for rest; and
  - (ii) must not stay away from the person's primary residence for longer than is necessary to carry out that purpose; and
- (f) if a person to whom this direction applies leaves the primary residence of the person for a purpose referred to in paragraph (b) and is required, as a result, to reside in a place other than that primary residence –
- (i) the person must not stay in the other place for longer than is necessary to carry out that purpose; and
  - (ii) while the person is away from the person's primary residence, paragraph (b) applies to the other place as if it were the primary residence of the person; and
- (g) a person must not permit another person to enter on or remain at the primary residence of the person, except where the other person –
- (i) ordinarily resides at the primary residence; or
  - (ii) is entering on or remaining at the primary residence for a purpose referred to in paragraph (b)(iii), (iv), (v), (ix), (x), (xiii) or (xiv); and
- (h) a person to whom this direction applies must wear a fitted face covering while the person is away from the person's primary residence; and

# Specialist Digitisation Services

**Storage, access to and management of large documents like plans and engineering drawings is an incredibly difficult task. When your plans and drawings are on paper or aperture cards it is a nightmare to retrieve, view, print, forward or distribute.**

**The future has landed! Acrodata and our unique Store and Digitise on Demand service means you can have any plan or drawing available when you want it. Acrodata will store, manage, digitise and retrieve plans, drawings and aperture cards, in the time you request.**

- Brand new technology producing image quality previously not possible
- Digitise and/or Retrieve for less than the cost of a reproduction.
- Full digitisation of collections with a fixed completion date
- Any plan or drawing delivered to you as a digital image immediately on request

Manage the risk of redundant technology limiting your access to vital information.

***Digitise your past to protect your future now.***

# Advertise in the TASMANIAN GOVERNMENT GAZETTE

If you want to communicate your business' products and services to government agencies, there is no better way than advertising in the weekly Government Gazette.

Not only delivered in hard copy format, the gazette is also fully digital, and compatible across phone, tablet and computer platforms. Full colour and the ability to embed hyperlinks to your website makes the digital gazette a powerful advertising tool.
