(3A) Where these directions require a person to comply with the requirements of a Schedule, any requirement which is inconsistent with additional requirements or conditions imposed on them by the Deputy State Controller does not apply to them.

(3B) For the purposes of these Directions, a person is taken to be **fully vaccinated** in respect of the Disease if they have a **recognised reason** for not being **fully vaccinated**.

PART 2: DIRECTIONS IN RELATION TO PERSONS ARRIVING IN TASMANIA WHO ARE NOT FULLY VACCINATED

- (4) An **unvaccinated person** must not enter Tasmania unless they are an **authorised traveller**.
- (5) An **unvaccinated person** who is an **authorised traveller** is required to quarantine for 14 days from their arrival at **suitable premises (Type B)** and comply with the requirements specified in Schedule 2.
- (6) Direction 5 does not apply to an **Essential Traveller**. Such persons are required to comply with the requirements specified in Schedule 4 for 14 days from their arrival and any additional requirements imposed by the Deputy State

Controller and notified to them in writing.

- (7) If a person to whom Direction 5 applies fails or is unable to nominate **suitable premises (Type B)** on their arrival to Tasmania, then they must quarantine at an accommodation facility specified to them by an **authorised officer** for 14 days, or until **suitable premises (Type B)** are identified and approved by the Deputy State Controller.
- (8) If an **unvaccinated person** arrives in Tasmania in contravention of Direction 4, they must leave as soon as possible if required to do so by an **authorised officer** and comply with any direction of an **authorised officer** concerning their departure from Tasmania.
- (9) An **authorised officer** may require an **unvaccinated person** required to leave Tasmania pursuant to a requirement under Direction 8 to quarantine at an accommodation facility specified to them by the **authorised officer** until they are able to leave Tasmania.
- (10) If an **unvaccinated person** arrives in Tasmania in contravention of Direction 4 and is not subject to a requirement to leave Tasmania pursuant to Direction 8, they are required to quarantine for 14 days at an accommodation facility specified to them by an authorised officer.
- (11) If, on their arrival in Tasmania, it is not possible to verify/determine whether an **unvaccinated person** is an **authorised traveller**, they are required to quarantine for 14 days at an accommodation facility specified to them by an **authorised officer**. If their approval to enter Tasmania is verified/determined within that period, they may transit directly from that accommodation facility to **suitable premises (Type B)** and remain in, or at, those premises until the expiration of the 14 day period of quarantine.
- (12) An **unvaccinated person** who arrives in Tasmania by aircraft from a departure point outside of Tasmania, is prohibited from disembarking that aircraft at a place which is not an **approved airport**.
- (13) An **unvaccinated person** who arrives in Tasmania by vessel from a departure point outside of **Coastal Waters**, is prohibited from disembarking that vessel at a place which is not an **approved maritime entry point**.
- (14) The prohibitions in Directions 12 and 13 do not apply:
 - a. To a person who has been granted approval by the Deputy State Controller to arrive in Tasmania at a place other than an **approved airport** or **approved maritime entry point**. Persons given such an approval are required to comply with any conditions that are imposed by the Deputy State Controller; or
 - b. In an emergency.
- (15) Unless they elect to immediately leave Tasmania, an **unvaccinated person** who arrives in Tasmania and disembarks an aircraft in contravention of Direction 12, or disembarks a vessel in contravention of Direction 13, may be required by an **authorised officer** to quarantine for 14 days at an accommodation facility specified to them by an **authorised officer** or at **suitable premises (Type B)**.
- (16) A person who elects to leave Tasmania after disembarking an aircraft or vessel in contravention of Direction 12 or 13, may be required to quarantine at an accommodation facility specified to them by an authorised officer or at **suitable premises (Type B)** until they are able to leave Tasmania. A person who is subject to such a requirement must comply with any directions of an **authorised officer** concerning:
 - a. Transit to the accommodation facility, and
 - b. Their departure from Tasmania.

PART 3: FULLY VACCINATED TRAVELLERS FROM HIGH RISK LOCATIONS

- (17) A **fully vaccinated** person who has, in the previous 14 days, spent any time in a **high risk location** (other than during **authorised transit**) must not enter Tasmania unless they are an **authorised traveller**.
- (18) Direction 17 does not apply to the following persons:
 - a. a person who, within 72 hours prior to their **departure for Tasmania**, undertook a **PCR test** and it returned a negative result;
 - b. a person who, within 24 hours prior to their **departure for Tasmania**, undertook a **rapid antigen test** and it returned a negative result
 - c. a person under the age of 5 years;
 - d. a person who returns to Tasmania within 7 days of having departed Tasmania.
- (19) A **fully vaccinated** person who has spent any time in a **high risk location** within 14 days prior to their arrival in Tasmania (other than during **authorised transit**), is required to quarantine for 14 days from their arrival at **suitable premises (Type C)** and comply with the requirements specified in Schedule 2.
- (20) Direction 19 does not apply to the following persons:
 - a. a person falling within Direction 18;
 - b. a person who is unable to undertake a **test for the Disease** on medical grounds;
 - c. a person who, in the course of their duties and at the time of entering Tasmania, is participating in the aeromedical delivery, transport or retrieval of patients, organs or tissues into, or out of, Tasmania;
 - d. a person who, in the course of their duties and at the time of entering Tasmania, is participating in the delivery or transport of people, freight or logistics into, or out of, Tasmania.

PART 4: TRAVELLERS FROM EXTREME RISK LOCATIONS

- (21) A person who has, in the previous 14 days, spent any time in an **extreme risk location** (other than during **authorised transit**) must not enter Tasmania unless they are an **authorised traveller**.
- (22) An **authorised traveller** who is permitted to enter Tasmania is required to quarantine for 14 days from their arrival at **suitable premises (Type A)**, comply with the requirements specified in Schedule 5, and any additional requirements imposed by the Deputy State Controller and notified to them in writing.
- (23) If a person to whom Direction 22 applies fails or is unable to nominate **suitable premises (Type A)** on their arrival to Tasmania, then they must quarantine at an accommodation facility specified to them by an **authorised officer** for 14 days, or until **suitable premises (Type A)** are identified and approved by the Deputy State Controller.
- (24) If a person arrives in Tasmania in contravention of Direction 21, they must leave as soon as possible if required to do so by an **authorised officer** and comply with any direction of an **authorised officer** concerning their departure from Tasmania.
- (25) An **authorised officer** may require a person required to leave Tasmania pursuant to a requirement under Direction 24 to quarantine at an accommodation facility specified to them by the **authorised officer** until they are able to leave Tasmania.
- (26) If a person arrives in Tasmania in contravention of Direction 21 and is not subject to a requirement to leave

Tasmania pursuant to Direction 24, they are required to quarantine for 14 days at an accommodation facility specified to them by an **authorised officer**.

- (27) If, on their arrival in Tasmania, it is not possible to verify/determine whether a person is an **authorised traveller**, they are required to quarantine for 14 days at an accommodation facility specified to them by an **authorised officer**. If their approval to enter Tasmania is verified/determined within that period, they may transit directly from that accommodation facility to **suitable premises (Type A)** and comply with Schedule 5 until the expiration of the 14 day period of quarantine.

PART 5: VESSELS & AIRCRAFT CRUISE SHIPS

- (28) A person who has spent any time on a **large cruise ship** within 14 days prior to their arrival in Tasmania is prohibited from entering Tasmania unless they are an **authorised traveller**.
- (29) An **authorised traveller** is required to quarantine for 14 days from their arrival in Tasmania at **suitable premises (Type A)** and comply with the requirements specified in Schedule 5.
- (30) If a person to whom Direction 29 applies fails or is unable to nominate **suitable premises (Type A)** on their arrival to Tasmania, then they must quarantine at an accommodation facility specified to them by an **authorised officer** for 14 days, or until **suitable premises (Type A)** are identified and approved by the Deputy State Controller.
- (31) If a person arrives in Tasmania in contravention of Direction 28, they must leave as soon as possible if required to do so by an **authorised officer** and comply with any direction of an **authorised officer** concerning their departure from Tasmania.
- (32) An **authorised officer** may require a person required to leave Tasmania pursuant to a requirement under Direction 31 to quarantine at an accommodation facility specified to them by the **authorised officer** until they are able to leave Tasmania.
- (33) If a person arrives in Tasmania in contravention of Direction 28 and is not subject to a requirement to leave Tasmania pursuant to Direction 31, they are required to quarantine for 14 days at an accommodation facility specified to them by an authorised officer.
- (34) If, on their arrival in Tasmania, it is not possible to verify/determine whether a person is an **authorised traveller**, they are required to quarantine for 14 days at an accommodation facility specified to them by an **authorised officer**. If their approval to enter Tasmania is verified/determined within that period, they may transit directly from that accommodation facility to **suitable premises (Type A)** and remain in, or at, those premises until the expiration of the 14 day period of quarantine.
- (35) A person, other than a crew member or person approved by the Deputy State Controller, is prohibited from entering Tasmania on a cruise ship.

INTERNATIONAL MARITIME CREW WHO ARE FULLY VACCINATED

- (36) A **international maritime crew member** who is **fully vaccinated** is required to quarantine for 14 days from their arrival in Tasmania at **suitable premises (Type A)** and comply with the requirements specified in Schedule 2.

FLIGHT & VESSEL PARTICULARS

- (37) Except in the case of an emergency, the pilot in command of an aircraft whose flight commences outside Tasmania is prohibited from landing at any place in Tasmania which is not an **approved airport** unless:

- a. **Flight particulars** have been reported to Biosecurity Tasmania at least 24 hours before the aircraft is scheduled to land; and
 - b. The pilot in command of the aircraft has a receipt from Biosecurity Tasmania for the **flight particulars** that have been reported in accordance with paragraph (a); and
 - c. The pilot in command of the aircraft has notified Biosecurity Tasmania of any changes to the **flight particulars** that have been reported in accordance with paragraph (a).
- (38) Except in the case of an emergency, the master of a **vessel** whose course commences outside **Coastal Waters** is prohibited from docking, berthing or anchoring that **vessel** at any place within **Coastal Waters** which is not an **approved maritime entry point** unless:
- a. **Vessel particulars** have been reported to Biosecurity Tasmania at least 24 hours before the vessel is scheduled to dock, berth or anchor; and
 - b. The master of the **vessel** has a receipt from Biosecurity Tasmania for the **vessel particulars** that have been reported in accordance with paragraph (a); and
 - c. The master of the **vessel** has notified Biosecurity Tasmania of any changes to the **vessel particulars** that have been reported in accordance with paragraph (a).

PART 6: DIRECTIONS IN RELATION TO QUARANTINE IN AN ACCOMMODATION FACILITY

- (39) If, pursuant to these Directions, a person is required to quarantine in an accommodation facility, they are also required to:
- a. Comply with any lawful directions given to them by an **authorised officer** during the period they are required to remain in quarantine at an accommodation facility, and
 - b. Remain in the room provided to them at the accommodation facility specified to them for the period they are required to remain in quarantine unless permitted to leave their room by an **authorised officer**, in which case they must wear a **face mask** at all times when absent from their room unless they are under the age of 12 years or it is for a **permitted reason**.

PART 7: EXEMPTIONS & RELEASE

EXEMPTION & AUTHORISATIONS

- (40) The Deputy State Controller may:
- a. Exempt a person, or class of persons, from a requirement to quarantine subject to any condition notified to them in writing; or
 - b. Authorise the release of a person, or class of persons, from quarantine prior to the expiration of 14 days, subject to any condition notified to them in writing; or
 - c. Authorise the release of a person, or class of persons, from the requirements specified in Schedules 2, 4 or 5, subject to any condition notified to them in writing;
 - d. Authorise a person, or class of persons, who is subject to a requirement to quarantine in an accommodation facility, to leave that facility subject to any condition notified to them in writing; or
 - e. Authorise or direct a person who is subject to a requirement under these Directions to quarantine at an accommodation facility, to quarantine at **suitable premises (Type A or Type B)**. A person who is given such an authorisation or direction is required to

comply with any requirements imposed by the Deputy State Controller and notified to them in writing.

*RELEASE FROM QUARANTINE & CHANGES
IN CLASSIFICATION*

- (41) A person is no longer subject to the requirement to quarantine or to comply with the requirements specified in Schedules 2 or 4 if the **high risk location** they have spent time in within 14 day of their arrival in Tasmania ceases to be on the list referred to in the definition of **high risk location** and has not been placed on the list referred to in the definition of **extreme risk location**.
- (42) Direction 41 does not apply to a person who has, within 14 days of their arrival in Tasmania, spent time in another geographical area, location or premises that remains on the list referred to in the definition of **high risk location** (other than during **authorised transit**).
- (43) A person is no longer subject to the requirement to quarantine or to comply with the requirements specified in Schedule 5 if the **extreme risk location** they have spent time in within 14 day of their arrival in Tasmania ceases to be on the list referred to in the definition of **extreme risk location** and has not been placed on the list referred to in the definition of **high risk location**.

PUBLIC HEALTH ACT 1997

REVOCATION OF DIRECTION UNDER SECTION 16

(Revocation of Arrival requirements for certain travellers into Tasmania – No. 13)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* direct that –

- (a) the direction given by me, on 21 December 2021 and entitled *Arrival requirements for certain travellers into Tasmania – No. 13*, is revoked; and
- (b) the revocation of that direction takes effect on 1 January 2022.

Dated this 30th day of December 2021

MARK VEITCH
Director of Public Health

PUBLIC HEALTH ACT 1997

REVOCATION OF DIRECTION UNDER SECTION 16

(Revocation of Requirements following positive Rapid Antigen Test – No. 1)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997*, direct that the direction given by me, on 30 December 2021 and entitled *Requirements following positive Rapid Antigen Test – No. 1*, is revoked.

Dated this 6th day of January 2022

MARK VEITCH
Director of Public Health

PUBLIC HEALTH ACT 1997

DIRECTION UNDER SECTION 16

(Arrival requirements for certain travellers into Tasmania – No. 14)

I, JULIE GRAHAM, the Deputy Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that, commencing on 1 January 2022 –

- (a) a person, whether or not he or she is not fully vaccinated in respect of the disease, is required to undergo a test for the disease within 24 hours after he or she arrives in Tasmania and on, or as soon as practicable after, the 5th day after he or she arrives in Tasmania, if the person, within the 14-day period before arriving in Tasmania, has spent time in an extreme risk area, as determined by the Director of Public Health or his or her delegate, other than time spent transiting directly through the area; and
- (b) a person is required to undergo a test for the disease on, or as soon as practicable after, the 5th day after he or she arrives in Tasmania, if the person is not fully vaccinated in respect of the disease; and
- (c) paragraph (a) and (b) do not apply to a person if the person –
 - (i) is an exempt person; or
 - (ii) is under the age of 5 years; or
 - (iii) holds a medical certificate –

- (A) that has been issued by a medical practitioner, within the meaning of the *Acts Interpretation Act 1931*, no more than 14 days before he or she arrives in Tasmania; and
- (B) which states that –
- (I) the person is unable to take a test for the disease, or to return a negative test for the disease, due to the person being previously infected with the disease; and
 - (II) the person is not considered infectious in respect of the disease; and
 - (III) all clinical symptoms of the disease, displayed by the person in respect of the disease, have clinically resolved for at least 3 days before the medical certificate was issued; and
- (d) the Director of Public Health, or his or her delegate, may exempt a person, or a specified class of persons, from undergoing the tests required under this direction, subject to the conditions, if any, that the Director of Public Health or his or her delegate, respectively, consider appropriate in the circumstances; and
- (e) in this direction –
- (i) **arrives in Tasmania**, in relation to a person, means that the person has entered the land within Tasmania; and
 - (ii) **clinical symptoms of the disease** means the following symptoms:
 - (A) a temperature of 37.5°C or more;
 - (B) night sweats;
 - (C) chills;
 - (D) coughing;
 - (E) shortness of breath;
 - (F) sore throat;
 - (G) loss of taste;
 - (H) loss of smell; and
 - (iii) **evidence of the vaccination status**, in respect of a person, means –
 - (A) a vaccination certificate in respect of the disease issued to the person by the Australian Immunisation Register, operated by or on behalf of the Commonwealth Government; or
 - (B) an equivalent document from a jurisdiction outside of Australia that is issued to the person and is recognised by the Commonwealth Government or the Director of Public Health; or
 - (C) evidence, that is recognised by the Director of Public Health, that a person has been issued with a document referred to in sub-subparagraph (A) or (B); and
 - (iv) **exempt person** means a person –
 - (A) who arrives in Tasmania –
 - (I) for the purposes of transport, freight and logistics; or
 - (II) from a country other than Australia, due to his or her employment, or engagement, as a crewmember of an aircraft; and
 - (III) is not required to isolate or quarantine on his or her arrival in Tasmania for that purpose; and
 - (v) **fully vaccinated**, in respect of the disease, means a person has received all of the doses of a vaccine for the disease that is necessary for the person to be issued with evidence of the vaccination status of the person; and
 - (vi) **PCR test** means a nucleic acid detection test, for the genetic material of SARS-CoV-2, conducted by a laboratory with the relevant accreditation, for such a test, by the National Association of Testing Authorities; and
 - (vii) **Rapid Antigen Test** means a test, to detect the presence of viral protein from SARS Cov-2, that –
 - (A) is intended for use primarily outside a laboratory; and
 - (B) is not based on nucleic acid detection methods such as a polymerase chain reaction; and
 - (C) is approved by the Therapeutic Goods Administration for use in Australia; and
 - (viii) **test for the disease** means a PCR test or a Rapid Antigen Test; and
 - (ix) **transiting directly**, through an area, means the person transiting through the area only stopped in the area to –
 - (A) disembark, at an airport within the area, from a flight that originated outside the area, if the person only leaves that airport on a flight where the destination is outside of the area; or
 - (B) refuel the vehicle being used to transit through the area; and
 - (f) the *Acts Interpretation Act 1931* applies to the interpretation of this direction as if it were regulations made under the Act; and

JULIE GRAHAM
Deputy Director of Public Health

PUBLIC HEALTH ACT 1997

DIRECTION UNDER SECTION 16

(Testing of certain essential travellers – No. 2)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that, commencing on 1 January 2022 –

- (a) this direction applies to a person –
 - (i) who arrives in Tasmania –
 - (A) for the purposes of transport, freight or logistics; or
 - (B) from a country other than Australia, due to his or her employment, or engagement, as a crewmember of an aircraft; and
 - (ii) who is not required to isolate or quarantine on his or her arrival in Tasmania; and
 - (iii) who –
 - (A) is not fully vaccinated in respect of the disease; or
 - (B) is fully vaccinated but has spent time in a high risk area, or an extreme risk area, within the 14-day period immediately before the person's arrival in Tasmania; and

- (b) on his or her arrival in Tasmania, a person to whom this direction applies is required to –
 - (i) provide evidence that the most recent test for the disease that has been performed on the person was negative for the disease; and
 - (ii) undergo a test for the disease within the 24-hour period after his or her arrival in Tasmania if –
 - (A) the test referred to in subparagraph (i) was not performed within the 7-day period before the person arrived in Tasmania; or
 - (B) the person does not provide evidence of a test as required by subparagraph (i); and
- (c) while he or she remains in Tasmania, a person to whom this direction applies is required to –
 - (i) undergo a test for the disease within each 7-day period after his or her most recent test for the disease until –
 - (A) at least 14 days have passed since he or she so arrived in Tasmania and he or she has not left Tasmania within those 14 days; and
 - (B) he or she has undergone at least 2 tests for the disease since he or she most recently arrived in Tasmania; and
 - (ii) carry evidence of the date of his or her most recent test for the disease; and
- (d) paragraph (b)(ii) does not apply to a person if the person does not leave the seaport or airport, where the person arrived in Tasmania, while the person remains in Tasmania; and
- (e) the Director of Public Health, or his or her delegate, may exempt a person, or a specified class of persons, from undergoing one or more of the clinical assessments and tests required under this direction, subject to the conditions, if any, that the Director of Public Health or his or her delegate, respectively, consider appropriate in the circumstances; and
- (f) in this direction –
 - (i) **arrives in Tasmania**, in relation to a person, means that the person has entered the land within Tasmania; and
 - (ii) **evidence of the vaccination status**, in respect of a person, means –
 - (A) a vaccination certificate in respect of the disease issued to the person by the Australian Immunisation Register, operated by or on behalf of the Commonwealth Government; or
 - (B) an equivalent document from a jurisdiction outside of Australia that is issued to the person and is recognised by the Commonwealth Government or the Director of Public Health; or
 - (C) evidence, that is recognised by the Director of Public Health, that a person has been issued with a document referred to in paragraph (A) or (B); and
 - (iii) **extreme risk area** means an area declared by the Director of Public Health, or his or her delegate, to be an area with an extreme risk in respect of the disease; and
 - (iv) **fully vaccinated**, in respect of the disease, means having received all of the doses of a vaccine for the disease that is necessary for the person to be issued with evidence of the vaccination status of the person; and

- (v) **high risk area** means an area declared by the Director of Public Health, or his or her delegate, to be an area with a high risk in respect of the disease; and
- (vi) **PCR test** means a nucleic acid detection test, for the genetic material of SARS-CoV-2, conducted by a laboratory with the relevant accreditation, for such a test, by the National Association of Testing Authorities; and
- (vii) **Rapid Antigen Test** means a test, to detect the presence of viral protein from SARS Cov-2, that –
 - (A) is intended for use primarily outside a laboratory; and
 - (B) is not based on nucleic acid detection methods such as a polymerase chain reaction; and
 - (C) is approved by the Therapeutic Goods Administration for use in Australia; and
- (viii) **test for the disease** means a PCR test or a Rapid Antigen Test; and
- (g) the *Acts Interpretation Act 1931* applies to the interpretation of this direction as if it were regulations made under the Act; and
- (h) the direction, given by me on 9 December 2021 and entitled *Testing of certain essential travellers – No. 1*, is revoked.

MARK VEITCH
Director of Public Health

PUBLIC HEALTH ACT 1997 DIRECTION UNDER SECTION 16

(Requirements following positive Rapid Antigen Test – No. 1)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that, on and from 1 January 2022 –

- (a) this direction applies to a person if –
 - (i) on or after 1 January 2022, the person uses a Rapid Antigen Test as a tool to detect, or diagnose, whether the person has the disease; and
 - (ii) the result of the Rapid Antigen Test indicates that the person has the disease; and
 - (iii) the person has not been notified by an authorised person that the result of the PCR test, taken by the person, in accordance with paragraph (b), after the Rapid Antigen Test is taken, is that the PCR test does not indicate that the person has the disease; and
- (b) a person to whom this direction applies must –
 - (i) as soon as practicable, take a PCR test in respect of the disease; and
 - (ii) subject to paragraph (c), if the person –
 - (A) is at the primary residence of the person when this direction applies to the person – isolate at those premises; or
 - (B) is not at the primary residence of the person when this direction applies to the person – travel directly to the primary residence of the person and isolate at those premises –

- and, subject to paragraphs (c) and (i), remain isolated at those premises until the person is notified by an authorised person that the result of the PCR test, taken by the person, in accordance with subparagraph (i), after the Rapid Antigen Test is taken, is that the PCR test does not indicate that the person has the disease; and
- (c) despite paragraph (b)(ii), a person who is required to isolate under this direction is not required to isolate at the primary residence of the person while –
- (i) the person is travelling directly to, or from, a location where he or she is taking a PCR test for the disease as required under paragraph (b)(i); or
 - (ii) there is an emergency that requires the person to leave the primary residence of the person to protect his or her personal safety, or the safety of another, and the person immediately returns to the primary residence of the person as soon as the emergency has passed; or
 - (iii) the person is seeking medical treatment or health care; and
- (d) subject to paragraphs (e) and (f), at any time when a person to whom this direction applies is not at the primary residence of the person, the person must wear a fitted face covering; and
- (e) a person is not required to wear a fitted face covering under this direction if the person is –
- (i) a child who has not attained the age of 12 years and it is not practicable, due to age or otherwise, for the child to wear a fitted face covering; or
 - (ii) a person who –
 - (A) holds a medical certificate, or other documentation by a medical practitioner, within the meaning of the *Acts Interpretation Act 1931*, that certifies that the person has a physical, or mental health, illness, condition or disability that makes the wearing of a fitted face covering unsuitable; and
 - (B) produces a legible copy of the medical certificate, or other documentation, if requested to do so by a person in authority; or
 - (iii) a person who –
 - (A) holds an exemption, from the requirement to wear a fitted face covering, that is given by the Director of Public Health or his or her delegate; and
 - (B) produces a legible copy of the exemption if requested to do so by a person in authority; and
- (f) a person is not required to wear a fitted face covering under this direction in the following circumstances, if the person wears a fitted face covering as soon as is practicable after the relevant circumstances end:
- (i) the person removes the fitted face covering to communicate with a person who is deaf, or has impaired hearing, and visibility of the mouth is essential for the communication;
 - (ii) the wearing of the fitted face covering would create a risk to the health or safety of the person;
 - (iii) the person is orally consuming food, drink or medicine;
 - (iv) the person is undergoing medical care, or treatment, that is unable to be provided while the person wears a fitted face covering;
 - (v) the person is requested to remove the fitted face covering, by a person in authority, to ascertain or confirm the identity of the person;
 - (vi) the person may lawfully remove, or is lawfully required to remove, the fitted face covering;
 - (vii) an emergency where it is not practicable or safe to wear the fitted face covering;
 - (viii) other circumstances that are specified in an exemption, from the requirement to wear a fitted face covering, that is given by the Director of Public Health or his or her delegate; and
- (g) a person to whom this direction applies who is required to wear a fitted face covering under this direction, other than a person to whom paragraph (e) applies, must carry a fitted face covering while he or she is away from the primary residence of the person; and
- (h) a person to whom this direction applies must take reasonable steps to ensure that no other person enters the primary residence of the person unless that other person –
- (i) usually lives at the premises; or
 - (ii) is also complying with this direction or another direction under which the person is required to isolate or quarantine at the premises; or
 - (iii) is at the premises in order to provide care and support to, or receive care and support from, the person; or
 - (iv) is required for medical or emergency purposes; and
- (i) despite paragraph (a), the Director of Public Health, or his or her delegate, may notify a person isolating under this direction that the person may cease isolating, subject to such conditions as may be specified in the notification; and
- (j) in this direction –
- (i) **authorised person** means a person, authorised by –
 - (A) a laboratory with the relevant accreditation, for a PCR test, by the National Association of Testing Authorities, or
 - (B) the Director of Public Health, or his or her delegate, to provide to persons the result of a PCR test; and
 - (ii) **fitted face covering** means a covering, other than a shield, that fits securely around the face and is designed, or made, to be worn over the nose and mouth to provide protection against infection; and
 - (iii) **PCR test** means a nucleic acid detection test, for the genetic material of SARS-CoV-2, that is conducted by a laboratory with the relevant accreditation, for such a test, by the National Association of Testing Authorities; and
 - (iv) **person in authority** includes –
 - (A) an authorised officer within the meaning of the Act; and
 - (B) an authorised officer within the meaning of the *Emergency Management Act 2006*;
 - (v) **primary residence of a person** means –
 - (A) if the person is not a permanent resident in Tasmania, or resides in Tasmania for a fixed period, the location in Tasmania where the person intends to lawfully reside while in Tasmania; or
 - (B) in any other case, the location in Tasmania where the person intends to reside while this direction applies to the person; and
 - (vi) **Rapid Antigen Test** means a test, to detect the presence of viral protein from SARS Cov-2, that –

- (A) is intended for use primarily outside a laboratory; and
- (B) is not based on nucleic acid detection methods such as a polymerase chain reaction; and
- (C) is approved by the Therapeutic Goods Administration for use in Australia; and
- (k) the *Acts Interpretation Act 1931* applies to the interpretation of this direction as if it were regulations made under the Act.

Director of Public Health

PUBLIC HEALTH ACT 1997

DIRECTION UNDER SECTION 16

(Residential Aged Care Facilities – No. 18)

I, SCOTT McKEOWN, the Deputy Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that –

- (a) subject to paragraphs (b), (c) and (d), a person must not enter, or remain on, the premises of a residential aged care facility in Tasmania unless –
 - (i) the person is a resident, or a prospective resident, of the residential aged care facility; or
 - (ii) the person is an employee or contractor of the residential aged care facility; or
 - (iii) the person's presence at the premises is for the purposes of providing goods or services in respect of the residential aged care facility, whether the goods or services are provided for consideration or on a voluntary basis; or
 - (iv) the person's presence at the premises is for the purposes of providing goods or services to a resident of the residential aged care facility, whether the goods or services are provided for consideration or on a voluntary basis; or
 - (v) the person's presence at the premises is for the purposes of receiving support or services, or participating in activities, from a business or support service operating on the premises of the residential aged care facility, whether the support, services or activities are provided for consideration or on a voluntary basis; or
 - (vi) the person's presence at the premises is for the purposes of end of life support for a resident of the residential aged care facility; or
 - (vii) the person's presence at the premises is for the purposes of a care and support visit to a resident of the residential aged care facility; or
 - (viii) the person's presence at the premises is required for the purposes of emergency management or law enforcement; and
- (b) despite paragraph (a), a person referred to in paragraph (a)(ii), (iii), (iv), (v), (vi), (vii) or (viii) must not enter, or remain on, the premises of a residential aged care facility in Tasmania if –
 - (i) during the 14-day period immediately preceding the entry, the person had known contact with a person who –
 - (A) has been diagnosed with the disease; or
 - (B) is reasonably suspected of having the disease; or
 - (ii) the person has one or more clinical symptoms of the disease; or
 - (iii) the person is required to be in isolation or quarantine, in respect of the disease, under the Act or the *Emergency Management Act 2006*; and
- (c) despite paragraph (a), a person referred to in paragraph (a)(vi) or (vii) must not enter, or remain on, the premises of a residential aged care facility in Tasmania except where the person –
 - (i) is fully vaccinated in respect of the disease; or
 - (ii) has –
 - (A) undertaken a Rapid Antigen Test for the disease within the 24-hour period immediately before entering the premises; and
 - (B) received a negative test result in respect of the Rapid Antigen Test for the disease; and
 - (C) not subsequently received a positive test result from a test for the disease; or
 - (iii) has –
 - (A) undertaken a PCR test for the disease within the 72-hour period immediately before entering the premises; and
 - (B) received a negative test result in respect of the PCR test; and
 - (C) not subsequently received a positive test result from a test for the disease; and
- (d) despite paragraph (a), a person referred to in paragraph (a)(v) must not enter, or remain on, the premises of a residential aged care facility in Tasmania if –
 - (i) the person is not fully vaccinated in respect of the disease; or
 - (ii) the person does not hold –
 - (A) a medical certificate or other similar document, granted by a medical practitioner within the meaning of the *Acts Interpretation Act 1931*, that certifies that the person has a medical contraindication that prevents the person from being vaccinated; or
 - (B) a medical exemption, that applies to the vaccinations for the disease, that is recorded in respect of the person on the Australian Immunisation Register, operated by or on behalf of the Commonwealth; and
- (e) paragraphs (b) and (c) do not apply in respect of a person if –
 - (i) the Director of Public Health, or his or her delegate, is satisfied that the person is entering, or remaining on, the premises of the residential aged care facility for the purpose of providing end of life support for a resident; and
 - (ii) the Director of Public Health, or his or her delegate, has authorised the person to enter, or remain on, those premises for those purposes; and
 - (iii) in addition to any other legal requirements under the Act, the person complies with any additional requirements imposed on the person by the Director of Public Health, or his or her delegate, to ensure the safety of the person, the staff of the residential aged care facility and the residents at the residential aged care facility; and
- (f) paragraphs (b), (c) and (k) do not apply in respect of a person entering the premises of a residential aged care facility for the purposes of providing emergency medical treatment (including transport), emergency management or law enforcement services; and

- (g) paragraph (c) does not apply in respect of a person entering the premises of a residential aged care facility if the person is under the age of 28 days; and
- (h) paragraph (b)(i) does not apply in respect of a person entering the premises of a residential aged care facility if –
 - (i) the known contact with another person, diagnosed with the disease or reasonably suspected of having the disease, occurred as part of the person's employment; and
 - (ii) the person was wearing PPE consistent with, or at the level required by, the National Guidelines for public health units developed by the Communicable Diseases Network Australia in respect of the disease; and
 - (iii) there was no breach to the PPE during that contact with the other person; and
- (i) the operator of a residential aged care facility in Tasmania must take all reasonable steps to ensure that a person does not enter, or remain on, the premises of the residential aged care facility if the person is prohibited from doing so under paragraph (a), (b), (c) or (d); and
- (j) for the avoidance of doubt, paragraphs (b), (c) and (i) do not prevent a person who is a resident of a residential aged care facility from leaving, and returning to, the premises of the residential aged care facility; and
- (k) the operator of a residential aged care facility in Tasmania must ensure that all persons who enter, or remain on, the premises of the residential aged care facility have been screened, as directed by the Director of Public Health or his or her delegate from time to time, before the person so enters, or remains on, the premises; and
- (l) a person who enters, or remains on, the premises of a residential aged care facility must wear a fitted face covering while the person remains on the premises of that facility; and
- (m) paragraph (l) does not apply in respect of the following persons:
 - (i) a resident of a residential aged care facility, while he or she is on the premises of that facility;
 - (ii) a child who has not attained the age of 12 years if it is not practicable, due to age or otherwise, for the child to wear a fitted face covering;
 - (iii) a person who –
 - (A) holds a medical certificate, or other documentation by a medical practitioner, within the meaning of the *Acts Interpretation Act 1931*, that certifies that the person has a physical, or mental health, illness, condition or disability that makes the wearing of a fitted face covering unsuitable; and
 - (B) produces a legible copy of the medical certificate, or other documentation, if requested to do so by a person in authority;
 - (iv) a person who –
 - (A) holds an exemption, or is a person within a class of persons specified in an exemption, from the requirements of paragraph (l) that is given by the Director of Public Health or his or her delegate; and
 - (B) produces a legible copy of the exemption if requested to do so by a person in authority; and
- (n) paragraph (l) does not apply to a person in the following circumstances if the person wears a fitted face covering as soon as is practicable after the relevant circumstances end:
 - (i) the person removes the fitted face covering to communicate with a person who is deaf, or has impaired hearing, and visibility of the mouth is essential for the communication;
 - (ii) the wearing of the fitted face covering would create a risk to the health or safety of the person;
 - (iii) the person removes the fitted face covering to enable clear enunciation, or visibility of the mouth, as part of his or her employment or training;
 - (iv) the person is orally consuming food, drink or medicine;
 - (v) the person is undergoing medical care, or treatment, that is unable to be provided while the person wears a fitted face covering;
 - (vi) the person is requested to remove the fitted face covering, by a person in authority, to ascertain or confirm the identity of the person;
 - (vii) the person may lawfully remove, or is lawfully required to remove, the fitted face covering;
 - (viii) an emergency where it is not practicable or safe to wear the fitted face covering;
 - (ix) such other circumstances that are specified in an exemption, from the requirements of paragraph (l), that is given by the Director of Public Health or his or her delegate; and
- (o) a person required to wear a fitted face covering under paragraph (l), other than a person to whom paragraph (m) applies, must carry a fitted face covering while he or she remains on the premises of a residential aged care facility; and
- (p) in this direction –
 - (i) **care and support visit**, in relation to a resident at a residential aged care facility, means a visit made to the resident, for the purposes of providing care and support to the resident, in one of the following locations:
 - (A) in the resident's room, outdoors or in a specific non-communal area, as designated by the residential aged care facility;
 - (B) in a specific communal area, as designated by the residential aged care facility, if each person in that area maintains, where practicable, a distance of not less than 1.5 metres between the person and each other person in the area; and
 - (ii) **clinical symptoms of the disease** means the following symptoms:
 - (A) a temperature of 37.5°C or more;
 - (B) night sweats;
 - (C) chills;
 - (D) coughing;
 - (E) shortness of breath;
 - (F) sore throat;
 - (G) loss of taste;
 - (H) loss of smell; and
 - (iii) **evidence of the vaccination status**, in respect of a person, means –

- (A) a vaccination certificate in respect of the disease issued to the person by the Australian Immunisation Register, operated by or on behalf of the Commonwealth Government; or
- (B) an equivalent document from a jurisdiction outside of Australia that is issued to the person and is recognised by the Commonwealth Government or the Director of Public Health; and
- (iv) **fitted face covering** means a covering, other than a shield, that –
 - (A) fits securely around the face and is designed, or made, to be worn over the nose and mouth to provide protection against infection; and
 - (B) is designed for a single use; and
 - (C) is recognised by the Therapeutic Goods Administration, of the Commonwealth, as a medical device; and
- (v) **flexible care subsidy** has the same meaning as in the *Aged Care Act 1997* of the Commonwealth; and
- (vi) **fully vaccinated**, in respect of the disease, means a person has received all of the doses of a vaccine for the disease that is necessary for the person to be issued with evidence of the vaccination status of the person; and
- (vii) **operator**, of a residential aged care facility, means a person who owns, controls or operates the residential aged care facility; and
- (viii) **PCR test** means a nucleic acid detection test, for the genetic material of SARS-CoV-2, conducted by a laboratory with the relevant accreditation, for such a test, by the National Association of Testing Authorities; and
- (ix) **person in authority**, in relation to a residential aged care facility, includes –
 - (A) an authorised officer within the meaning of the Act; and
 - (B) a person nominated by the operator of the residential aged care facility as a person in authority for the purposes of this direction; and
- (x) **Rapid Antigen Test** means a test, to detect the presence of viral protein from SARS Cov-2, that –
 - (A) is intended for use primarily outside a laboratory; and
 - (B) is not based on nucleic acid detection methods such as a polymerase chain reaction; and
 - (C) is approved by the Therapeutic Goods Administration for use in Australia; and
- (xi) **resident**, of a residential aged care facility, includes a resident for the purposes of respite at that facility; and
- (xii) **residential aged care facility** means a facility at which accommodation, and personal care or nursing care or both, are provided to a person in respect of whom a residential care subsidy or a flexible care subsidy is payable under the *Aged Care Act 1997* of the Commonwealth; and
- (xiii) **residential care subsidy** has the same meaning as in the *Aged Care Act 1997* of the Commonwealth; and
- (xiv) **test for the disease** means a PCR test or a Rapid Antigen Test; and
- (xv) **vaccine for the disease** includes –

- (A) a vaccine that is registered, for use in respect of the disease, by the Therapeutic Goods Administration; and
- (B) a vaccine that, in advice issued by the Therapeutic Goods Administration, the Therapeutic Goods Administration considers to be a “recognised vaccine” in respect of the disease; and
- (q) the *Acts Interpretation Act 1931* applies to the interpretation of this direction as if it were regulations made under the Act; and
- (r) the direction, given by the Director of Public Health on 10 December 2021 and entitled *Residential Aged Care Facilities – No. 17*, is revoked.

Dated this 3rd day of January 2022

SCOTT McKEOWN
Deputy Director of Public Health

PUBLIC HEALTH ACT 1997
DIRECTION UNDER SECTION 16

(Vaccination requirements in relation to Early Childhood Facilities – No. 1)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* (“the Act”), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 (“the disease”), direct that –

- (a) on and from 8 January 2022 –
 - (i) a person must not enter, or remain, on a non-residential early childhood facility; and
 - (ii) a person who is an early childhood worker in relation to a residential early childhood facility must not enter, or remain on, the facility – unless he or she has received at least one dose of a vaccine for the disease; and
- (b) on and from 5 February 2022 –
 - (i) a person must not enter, or remain on, a non-residential early childhood facility; and
 - (ii) a person who is an early childhood worker in relation to a residential early childhood facility must not enter, or remain on, the facility – unless he or she has received all of the doses of a vaccine for the disease that is necessary for the person to be issued with –
 - (iii) a vaccination certificate, in respect of the disease, issued by the Australian Immunisation Register operated by or on behalf of the Commonwealth Government; or
 - (iv) an equivalent document, from a jurisdiction outside of Australia, that is recognised by the Commonwealth Government or the Director of Public Health; and
- (c) paragraphs (a) and (b) do not apply to a person, in relation to an early childhood facility, if –
 - (i) the person is a child who has not attained the age of 12 years and 2 months or is receiving a service at the facility; or
 - (ii) the person only enters the facility, and remains on the facility for so long as is necessary, to drop off a child at the facility or to collect the child from the facility; or
 - (iii) the person is at the facility for the purpose of providing maintenance services at the facility; or

- (iv) the person is at the facility for the purpose of supplying goods; or
- (v) the person is a person in relation to whom the facility is the primary residence and the person is not an early childhood worker in relation to the facility; and
- (d) paragraphs (a) and (b) do not apply to a person in relation to an early childhood facility if –
 - (i) the person –
 - (A) is unable to receive a vaccine for the disease due to a medical contraindication; and
 - (B) holds –
 - (I) a document, in a form approved by the Director of Public Health or his or her delegate, by a medical practitioner, within the meaning of the *Acts Interpretation Act 1931*, that certifies that the person has a medical contraindication that prevents the person from receiving a vaccine for the disease; or
 - (II) a medical exemption, that applies to vaccinations for the disease, that is recorded in respect of the person on the Australian Immunisation Register, operated by or on behalf of the Commonwealth Government; and
 - (C) provides a copy of the document, or exemption, referred to in sub-subparagraph (B) to the relevant supervisor in relation to the early childhood facility; or
 - (ii) the person –
 - (A) is ineligible, due to the person's age, to receive a vaccine for the disease until a later phase of the vaccination program recognised by the Director of Public Health or his or her delegate; and
 - (B) provides the relevant supervisor in relation to the early childhood facility with evidence as to the age of the person; or
 - (iii) the person –
 - (A) holds an exemption, or is a member of a class of persons specified in an exemption, from the requirement to receive a vaccine for the disease; and
 - (B) provides a legible copy of the exemption to the relevant supervisor in relation to the early childhood facility; or
 - (iv) the person is an emergency management worker, within the meaning of the *Emergency Management Act 2006*, who is only present at the early childhood facility for the purpose of responding to an emergency within the meaning of that Act; and
- (e) an exemption referred to in paragraph (d)(iii) –
 - (i) may only be given by the Director of Public Health, or his or her delegate, if the Director, or delegate, is satisfied that the exemption is necessary for the protection of the health and well-being of persons; and
 - (ii) may be subject to the conditions that the Director of Public Health, or his or her delegate, considers appropriate in the circumstances; and
- (f) a person to whom paragraph (c) or (d) applies must wear a fitted face covering while he or she is at an early childhood facility; and
- (g) paragraph (f) does not apply, in relation to an early childhood facility, in respect of the following persons:
 - (i) a child who has not attained the age of 12 years;
 - (ii) a person in relation to whom the facility is a primary residence and who –
 - (A) is not an early childhood worker in relation to the facility; or
 - (B) if the person is an early childhood worker in relation to the facility, is not on duty as an early childhood worker in relation to the facility;
 - (iii) a person who –
 - (A) holds a medical certificate, or other documentation by a medical practitioner, within the meaning of the *Acts Interpretation Act 1931*, that certifies that the person has a physical, or mental health, illness, condition or disability that makes the wearing of a fitted face covering unsuitable; and
 - (B) produces a legible copy of the medical certificate, or other documentation, if requested to do so by the relevant supervisor in relation to the facility or by a person in authority at the facility;
 - (iv) a person who –
 - (A) holds an exemption, or is a person within a class of persons specified in an exemption, from the requirements of paragraph (f), that is given by the Director of Public Health or his or her delegate; and
 - (B) produces a legible copy of the exemption if requested to do so by the relevant supervisor in relation to the facility or by a person in authority at the facility; and
- (h) paragraph (f) does not apply to a person in the following circumstances if the person wears a fitted face covering as soon as is practicable after the relevant circumstances end:
 - (i) the person removes the fitted face covering to communicate with a person who is deaf, or has impaired hearing, and visibility of the mouth is essential for the communication;
 - (ii) the wearing of the fitted face covering would create a risk to the health or safety of the person;
 - (iii) the person removes the fitted face covering to enable clear enunciation, or visibility of the mouth, as part of his or her employment, engagement on a contract of services or training;
 - (iv) the person is orally consuming food, drink or medicine;
 - (v) the person is undergoing medical care, or treatment, that is unable to be provided while the person wears a fitted face covering;
 - (vi) the person is requested to remove the fitted face covering to ascertain or confirm the identity of the person;
 - (vii) the person may lawfully remove, or is lawfully required to remove, the fitted face covering;
 - (viii) an emergency where it is not practicable or safe to wear the fitted face covering;

- (ix) other circumstances that are specified in an exemption, from the requirements of paragraph (f), that is given by the Director of Public Health or his or her delegate; and
- (i) a person required to wear a fitted face covering under paragraph (f), other than a person to whom paragraph (g) applies, must carry a fitted face covering while he or she –
 - (i) is at a non-residential early childhood facility; or
 - (ii) is at a residential early childhood facility and, in the case of an early childhood worker in relation to the facility, is on duty at the facility; and
- (j) a person to whom paragraph (a) or (b) applies in relation to an early childhood facility, other than a person to whom paragraph (c) or (d) applies in relation to the facility, must provide one or more of the following documents to the relevant supervisor in relation to the facility:
 - (i) a copy, or evidence, of his or her Immunisation History Statement from the Australian Immunisation Register, operated by or on behalf of the Commonwealth Government;
 - (ii) electronic evidence, that the person has been immunised in respect of the disease, that has been issued by or on behalf of the Commonwealth Government or the Tasmanian Government;
 - (iii) an equivalent document, or electronic evidence, from a jurisdiction outside of Australia, that is recognised by the Commonwealth Government or the Director of Public Health; and
- (k) the relevant supervisor in relation to an early childhood facility must –
 - (i) as soon as is practicable after this direction commences and before 8 January 2022, take all reasonable steps to notify each person, to whom paragraph (a) or (b) applies and to whom paragraph (c)(i) does not apply, in relation to the facility, of the requirements of this direction that apply on and from that date; and
 - (ii) on and after 8 January 2022, take all reasonable steps to ensure that a person does not enter, or remain on, the facility if the relevant supervisor is not satisfied that –
 - (A) the person has received the number of doses of a vaccine for the disease that the person is required by this direction to have received; or
 - (B) paragraph (c) or (d) applies to the person in relation to the facility; and
 - (iii) on and from 8 January 2022, take all reasonable steps to ensure that a person, to whom paragraph (f) applies and to whom paragraph (g) does not apply, does not enter, or remain on, the facility unless the person complies with paragraph (f); and
- (l) the relevant supervisor in relation to an early childhood facility must ensure that –
 - (i) a copy, or written record, of each of the following is kept and maintained by the relevant supervisor:
 - (A) each document provided to the relevant supervisor by a person under paragraph (d);
 - (B) each document provided to the relevant supervisor by a person under paragraph (j); and
 - (ii) if requested to do so by the Director of Public Health or his or her delegate, details of the information kept under subparagraph (i) are provided to the Director of Public Health or his or her delegate as soon as possible after the request has been made; and
- (m) In this direction –
 - (i) **child care service** has the same meaning as in the *Child Care Act 2001*; and
 - (ii) **early childhood facility** means –
 - (A) premises that are education and care service premises, within the meaning of the *Education and Care Service National Law Act 2010*; and
 - (B) premises at which a child care service is provided; and
 - (iii) **early childhood worker**, in relation to an early childhood facility, means a person who –
 - (A) is employed, or engaged, to provide services at the early childhood facility; or
 - (B) attends the early childhood facility as a volunteer or as part of work experience; and
 - (iv) **fitted face covering** means a covering, other than a shield, that fits securely around the face and is designed, or made, to be worn over the nose and mouth to provide protection against infection; and
 - (v) **home-based child care** has the same meaning as in the *Child Care Act 2001*; and
 - (vi) **maintenance services** includes –
 - (A) prescribed work within the meaning of the *Occupational Licensing Act 2005*; and
 - (B) gardening and other maintenance services; and
 - (vii) **non-residential early childhood facility** means an early childhood facility that is not a primary residence of a person who is an early childhood worker in relation to the facility; and
 - (viii) **person in authority**, in relation to an early childhood facility, includes –
 - (A) an authorised officer within the meaning of the Act; and
 - (B) an authorised officer within the meaning of the *Emergency Management Act 2006*; and
 - (C) a person employed or engaged to provide services at the facility for the purpose of monitoring safety and security at the facility; and
 - (ix) **primary residence of a person** means –
 - (A) if the person is not a permanent resident in Tasmania, or resides in Tasmania for a fixed period, the location in Tasmania where the person intends to lawfully reside while in Tasmania; or
 - (B) in any other case, the location in Tasmania where the person intends to reside while this direction is in force; and
 - (x) **relevant supervisor**, in relation to an early childhood facility, means –
 - (A) if the facility is not used to provide home-based child care – the person responsible for the day to day management of the facility; or
 - (B) if the facility is used to provide home-based child care – the person who employs or engages an early education worker in relation

to the facility; and

(xi) **residential early childhood facility** means –

- (A) an early childhood facility that is situated in a primary residence of a person who is an early childhood worker in relation to the facility; or
- (B) a primary residence, of a person who is a child, at which a child care service is delivered to the person; and

(xii) **vaccine for the disease** includes –

- (A) a vaccine that is registered, for use in respect of the disease, by the Therapeutic Goods Administration; and
- (B) a vaccine that, in advice issued by the Therapeutic Goods Administration, the Therapeutic Goods Administration considers to be a “recognised vaccine” in respect of the disease; and

(n) the *Acts Interpretation Act 1931* applies to the interpretation of this direction as if it were regulations made under the Act.

MARK VEITCH
Director of Public Health

PUBLIC HEALTH ACT 1997

DIRECTION UNDER SECTION 16

(*Quarantine – No. 7*)

I, JULIE GRAHAM, the Deputy Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* (“the Act”), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 (“the disease”), direct that, commencing on 1 January 2022 –

- (a) a person who is a close contact in respect of the disease must –
 - (i) travel directly to a suitable place in respect of the close contact; and
 - (ii) undergo a Rapid Antigen Test for the disease on, or as soon as practicable after the 1st day, and the 6th day, after he or she last had contact with the confirmed case in respect of which he or she is a close contact; and
 - (iii) subject to paragraphs (b) and (e), remain in quarantine at a suitable place in respect of the close contact for at least 7 days after he or she last had contact with the confirmed case in respect of which he or she is a close contact; and
 - (iv) for at least 7 days after he or she ceases to be required under this direction to remain in quarantine –
 - (A) wear a fitted face covering while he or she is away from his or her primary residence; and
 - (B) not enter, or remain at, a high risk setting, unless the high risk setting is a medical or health facility and the close contact –
 - (I) is attending the facility for the purpose of a medical, or health care, appointment or for medical treatment, including to be tested for the disease or to be vaccinated in relation to the disease; or
 - (II) is an essential traveller under a direction made by the Deputy State Controller under section 40 of the *Emergency Management Act 2006*; or

(III) holds an exemption from the Director of Public Health, or his or her delegate, that permits that close contact to enter, or remain at, a medical or health facility; and

- (b) a person who is a close contact in respect of the disease must remain at a suitable place in respect of the close contact while he or she is required to so quarantine unless –
 - (i) the person is travelling directly to, or from, another suitable place in respect of the person; or
 - (ii) the person is travelling directly to, or from, a location where he or she is undertaking, or collecting, a test for the disease as required under this direction; or
 - (iii) there is an emergency that requires the person to leave the suitable place in respect of the person to protect his or her personal safety, or the safety of another, and the person immediately returns to a suitable place in respect of the person as soon as the emergency has passed; and
- (c) if a person who is required to quarantine under this direction leaves a suitable place in respect of the person while he or she is required to so quarantine, the person must wear a fitted face covering; and
- (d) if a person (a “quarantined person”) who is required to remain in quarantine under this direction is quarantining at a suitable place in respect of the person (other than premises referred to in paragraph (A) of the definition of suitable place) with one or more persons (“the isolated persons”) who are in isolation at that place and who are diagnosed with the disease, the quarantined person must remain in quarantine at a suitable place in respect of the person until the end of the 7-day period after each of the isolated persons is no longer required under the Act to be isolated and the quarantined person is not otherwise required under this direction to be in quarantine; and
- (e) despite paragraph (a)(iii), the Director of Public Health, or his or her delegate, may notify a person in quarantine under this direction that he or she may cease to remain in quarantine in respect of the disease subject to such conditions as may be specified in the notification; and
- (f) a person is not required to wear a fitted face covering under this direction if the person is –
 - (i) a child who has not attained the age of 12 years and it is not practicable, due to age or otherwise, for the child to wear a fitted face covering; or
 - (ii) a person who –
 - (A) holds a medical certificate, or other documentation by a medical practitioner, within the meaning of the *Acts Interpretation Act 1931*, that certifies that the person has a physical, or mental health, illness, condition or disability that makes the wearing of a fitted face covering unsuitable; and
 - (B) produces a legible copy of the medical certificate, or other documentation, if requested to do so by a person in authority; or
 - (iii) a person who –
 - (A) holds an exemption, from the requirement to wear a fitted face covering, that is given by the Director of Public Health or his or her delegate; and
 - (B) produces a legible copy of the exemption if requested to do so by a person in authority; and

- (g) a person is not required to wear a fitted face covering under this direction in the following circumstances, if the person wears a fitted face covering as soon as is practicable after the relevant circumstances end:
 - (i) the person removes the fitted face covering to communicate with a person who is deaf, or has impaired hearing, and visibility of the mouth is essential for the communication;
 - (ii) the wearing of the fitted face covering would create a risk to the health or safety of the person;
 - (iii) the person removes the fitted face covering to enable clear enunciation, or visibility of the mouth, as part of his or her employment or training;
 - (iv) the person is orally consuming food, drink or medicine;
 - (v) the person is undergoing medical care, or treatment, that is unable to be provided while the person wears a fitted face covering;
 - (vi) the person is requested to remove the fitted face covering, by a person in authority, to ascertain or confirm the identity of the person;
 - (vii) the person may lawfully remove, or is lawfully required to remove, the fitted face covering;
 - (viii) an emergency where it is not practicable or safe to wear the fitted face covering;
 - (ix) such other circumstances that are specified in an exemption, from the requirement to wear a fitted face covering, that is given by the Director of Public Health or his or her delegate; and
- (h) a person who is required to wear a fitted face covering under this direction, other than a person to whom paragraph (f) applies, must carry a fitted face covering while he or she is away from his or her primary residence; and
- (i) a person to whom this direction applies must, while this direction applies to the person –
 - (i) monitor his or her health for clinical symptoms of the disease; and
 - (ii) if he or she develops clinical symptoms of the disease, undergo a Rapid Antigen Test for the disease as soon as practicable; and
 - (iii) undergo a test for the disease if required to do so by the Director of Public Health or his or her delegate; and
- (j) a person to whom this direction applies must take reasonable steps to ensure that no other person enters the primary residence of the person unless that other person –
 - (i) usually lives at the premises; or
 - (ii) is also complying with this direction or another direction under which the person is required to isolate or quarantine at the premises; or
 - (iii) is at the premises in order to provide care and support to, or receive care and support from, the person; or
 - (iv) is required for medical or emergency purposes; and
- (k) in this direction –
 - (i) **clinical symptoms of the disease** means the following symptoms:
 - (A) a temperature of 37.5°C or more;
 - (B) night sweats;
 - (C) chills;
 - (D) coughing;
 - (E) shortness of breath;
 - (F) sore throat;
 - (G) loss of taste;
 - (H) loss of smell; and
 - (ii) **close contact**, in respect of the disease, means a person who –
 - (A) ordinarily resides at the same primary residence as a confirmed case; or
 - (B) has been notified by the Director of Public Health, or his or her delegate, that he or she is a close contact; and
 - (iii) **confirmed case** means a person who has been diagnosed with the disease; and
 - (iv) **fitted face covering** means a covering, other than a shield, that fits securely around the face and is designed, or made, to be worn over the nose and mouth to provide protection against infection; and
 - (v) **flexible care subsidy** has the same meaning as in the *Aged Care Act 1997* of the Commonwealth; and

Promotion Without Advertising

AGENCY: JUSTICE

It is my intention to request the Head of the State Service to exercise discretion to not advertise the following duties in accordance with section 40 (2) of the *State Service Act 2000* and to promote the following permanent employee:

Name: L Dong

Duties Assigned: Accountant

Description of the Role: Provide financial reporting, management accounting and taxation services to the Finance Branch, maintenance of the Agency's accounting manual and other finance related policies and procedures.

Essential Requirements: Nil

Desirable Requirements: Relevant tertiary qualifications in business, accounting or other appropriate discipline.

Relevant experience in a government environment or familiarity with government processes and protocols.

State Service employees aggrieved by this intention may make application to the Tasmanian Industrial Commission for a review under section 50(1)(b) of the *State Service Act 2000*. Applications for review are to be lodged with the Tasmanian Industrial Commission within 14 days of the publication of this notice in the Tasmanian Government Gazette.

Advertise in the TASMANIAN GOVERNMENT GAZETTE

If you want to communicate your business' products and services to government agencies, there is no better way than advertising in the weekly Government Gazette.

Not only delivered in hard copy format, the gazette is also fully digital, and compatible across phone, tablet and computer platforms. Full colour and the ability to embed hyperlinks to your website makes the digital gazette a powerful advertising tool.
