## Personal Information Protection

PERSONAL INFORMATION PROTECTION ACT 2004

### EXEMPTION UNDER SECTION 14

I, the Hon Elise Archer MP, Minister for Justice, as the Minister responsible for the administration of the *Personal Information Protection Act 2004* ("the Act"), upon being satisfied that the public benefit in doing so outweighs to a substantial degree the public benefit from compliance with the Personal Information Protection Principles, hereby approve an application dated 10 September 2021 made under section 13 of the Act by the Department of Communities Tasmania for an exemption from compliance with the Act, subject to the following conditions:

1. Any information that, but for this exemption, would be protected by the Act can be disclosed to Ms Melanie Bamping Bartlett, whereby such information is, or has the potential to be, relevant to the conduct, assessment and determination of the independent review of the response to and processes conducted by the Department of Communities Tasmania in relation to any complaint made by the employee known as 'Alysha' concerning workplace bullying, assault or sexual harassment at the Ashley Youth Detention Centre;
2. If information is returned pursuant to this exemption that is not relevant and is not potentially relevant to the aforementioned independent review, it will be returned or otherwise actioned as per the election of the Department of Communities Tasmania, and in compliance with the *Archives Act 1983*. This does not include information that may become relevant to the independent review that should be retained so as to preserve the integrity of a record as a whole, or for similar or related purposes.

Dated this 13th day of September 2020.

HON ELISE ARCHER MP  
Attorney-General and Minister for Justice

### Details of the Application

The Department of Communities Tasmania has applied under Section 13 of the *Personal Information Protection Act 2004* ("the Act") for an exemption under Section 14 of the Act to allow for information within its custody and control to be disclosed and used by Ms Melanie Bamping Bartlett for the purpose of conducting an independent review of the response to and processes conducted by the Department of Communities Tasmania in relation to any complaint made by the employee known as 'Alysha' concerning workplace bullying, assault or sexual harassment at the the Ashley Youth Detention Centre.

The exemption is to ensure that all information relevant to independent review can be obtained by the independent reviewer, and utilised within the constraints of the law, whilst still protecting the privacy of individuals.

MARK VEITCH  
Director of Public Health

PUBLIC HEALTH ACT 1997  
DIRECTION UNDER SECTION 16  
(*Testing of workers at quarantine sites – No. 4*)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that –

- (a) this direction applies to a person if the person was present on a quarantine site on or after the commencement of this direction; and
- (b) paragraph (a) does not apply to a person who has been present on the quarantine site if –
  - (i) the person –
    - (A) is only present on the site for the purposes of delivering goods to, or collecting goods from, the site or providing necessary cleaning or sanitation services in respect of the site; and
    - (B) while present on the site, does not have contact with a person who is in isolation or quarantine at the site; and
    - (C) is only present on the site for a total period of not more than 30 minutes in a 24-hour period; or
  - (ii) the person is present on the site to isolate, or quarantine, in respect of the disease; and
- (c) a person to whom this direction applies must, while this direction so applies to the person, undergo a saliva screening test on each day he or she is present on the relevant quarantine site for the person unless –
  - (i) the person has undergone a saliva screening test, or a nasal swab test, under this direction within the immediately preceding 12-hour period; or
  - (ii) on that day, there are no persons present on the site that are in isolation or quarantine in respect of the disease; or
  - (iii) the person is to undergo a nasal swab test on that day in accordance with paragraph (d); and
- (d) subject to paragraph (c), a person to whom this direction applies must, while this direction so applies to the person, undergo a nasal swab test –
  - (i) within the test period after the day on which the person was present on the relevant quarantine site for the person; and
  - (ii) within the test period after the day on which the person last underwent a nasal swab test; and

- (e) if, within the 14-day period immediately before the last day of the test period for a person to whom this direction applies, there were no persons in isolation or quarantine in respect of the disease present on each relevant quarantine site for the person, the person to whom this direction applies is not required to undergo a nasal swab test in accordance with paragraph (d); and
- (f) this direction ceases to apply to a person if –
  - (i) the person has not been present on a quarantine site for at least a 14-day period; and
  - (ii) the person has undergone a nasal swab test for the disease in accordance with paragraph (d) at least 12 days after he or she was last present on such a site; and
- (g) a person to whom this direction applies, or to whom this direction has applied, must provide, on the request of the Director of Public Health or his or her delegate, evidence to the satisfaction of the Director of Public Health, or his or her delegate, that the person has complied with this direction while it applied to the person; and
- (h) as a result of a test for the disease undertaken under this direction by a person to whom this direction applies, the Director of Public Health, or his or her delegate, may require the person to take the action that the Director of Public Health or his or her delegate considers appropriate in the circumstances and is specified in the requirement; and
- (i) the Director of Public Health, or his or her delegate, may exempt a person, or a specified class of persons, from all or part of this direction subject to such conditions as the Director of Public Health or his or her delegate considers appropriate in the circumstances; and
- (j) in this direction –
  - (i) **nasal swab test** means a nucleic acid test for the genetic material of SARS-CoV-2, that is –
    - (A) conducted on a swab taken from a nostril of a person; and
    - (B) conducted by a laboratory with the relevant accreditation, for nucleic acid testing, by the National Association of Testing Authorities; and

MARK VEITCH  
Director of Public Health

PUBLIC HEALTH ACT 1997  
DIRECTION UNDER SECTION 16  
(Arrival requirements for certain travellers into  
Tasmania – No. 10)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* (“the Act”), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 (“the disease”), direct that, commencing on 24 September –

- (a) a relevant traveller who arrives in Tasmania is required to undergo the following clinical assessments on the arrival of the relevant traveller in Tasmania:
  - (i) questions as to the health of the traveller, in respect of the clinical symptoms of the disease, on his or her arrival;
  - (ii) a check of the temperature of the traveller; and
- (b) a clinical assessment referred to in paragraph (a) is to be conducted by an authorised officer, a registered nurse or an enrolled nurse; and

- (c) as a result of a clinical assessment of a relevant traveller under paragraph (a), the Director of Public Health, or his or her delegate, may require the relevant traveller to take the action that the Director of Public Health or his or her delegate considers appropriate in the circumstances and specifies in the requirement; and
  - (d) in addition to the requirements of paragraph (a) –
    - (i) a relevant traveller is required to undergo a test for the disease within 24 hours after he or she arrives in Tasmania and on, or as soon as practicable after, both the 7th day and the 12th day after he or she arrives in Tasmania, if the relevant traveller –
      - (A) within the 14-day period before arriving in Tasmania, has spent time in a high risk area or premises, as determined by the Director of Public Health or his or her delegate, other than time spent transiting directly through the area; and
      - (B) is not required to isolate or quarantine on his or her arrival in Tasmania; and
      - (C) has not left Tasmania since he or she so arrived in Tasmania; and
    - (ii) a relevant traveller is required to undergo a test for the disease before the 3rd day after he or she arrives in Tasmania and on, or as soon as practicable after, the 12th day after he or she arrives in Tasmania, if the relevant traveller –
      - (A) within the 14-day period before arriving in Tasmania, has spent time in a high risk area or premises, as determined by the Director of Public Health or his or her delegate, other than time spent transiting directly through the area; and
      - (B) is required to isolate or quarantine on his or her arrival in Tasmania; and
    - (iii) in addition to sub-paragraph (ii), a relevant traveller to whom that sub-paragraph applies is required to undergo a test for the disease on, or as soon as practicable after, the 7th day after he or she arrives in Tasmania, if –
      - (A) the relevant traveller leaves isolation or quarantine, or intends to leave isolation or quarantine, within the 14-day period after his or her arrival in Tasmania; and
      - (B) the leave is with the permission of the Deputy State Controller under a direction under the *Emergency Management Act 2006*, regardless of whether such permission has been given for a single period of leave or multiple periods of leave; and
    - (iv) if a relevant traveller is required to isolate or quarantine on his or her arrival in Tasmania, other than a relevant traveller to whom sub-paragraph (v) applies, the relevant traveller is required to undergo a test for the disease before the 3rd day after he or she arrives in Tasmania and on, or as soon as practicable after, the 12th day after he or she arrives in Tasmania, if –
      - (A) where the relevant traveller arrives in Tasmania due to his or her employment or engagement as a crewmember of a vessel, the relevant traveller has spent time in a country other than Australia or New Zealand, or spent time in an at-risk area of New Zealand, within the 28-day period before arriving in Tasmania; and
    - (v) if a relevant traveller –
      - (A) arrives in Tasmania from a country other than Australia or New Zealand, or from an at-risk area of New Zealand, due to his or her employment or engagement as a crewmember of an aircraft; and
      - (B) is required to isolate or quarantine on his or her arrival in Tasmania –

the relevant traveller is required to undergo a test for the disease –

      - (C) as soon as is practicable, and no later than 24 hours, after his or her arrival in Tasmania unless he or she has had a test for the disease, performed in Australia within the 7-day period immediately before his or her arrival in Tasmania, that was negative for the disease; and
      - (D) within each 7-day period after his or her last preceding test for the disease, performed in Australia, until –
        - (I) at least 14 days have passed since he or she so arrived in Tasmania; and
        - (II) he or she has undergone at least 2 tests for the disease since he or she last arrived in Tasmania; and
  - (B) for any other relevant traveller, the relevant traveller has spent time in a country other than Australia or New Zealand, or spent time in an at-risk area of New Zealand, within the 14-day period before arriving in Tasmania; and
  - (C) the relevant traveller has not completed isolation, or quarantine, requirements imposed by the Commonwealth, or a State or Territory of Australia, since his or her return to Australia from the other country; and
- (e) paragraph (d) ceases to apply to a relevant traveller if –
    - (i) the person is only a relevant traveller by virtue of spending time in a high risk area as determined by the Director of Public Health or his or her delegate; and
    - (ii) after the relevant traveller's arrival in Tasmania, the high risk area ceases to be a high risk area and is not a medium risk area determined by the Director of Public Health or his or her delegate; and
  - (f) if a relevant traveller is required to isolate or quarantine on arriving in Tasmania, the relevant traveller must wear a mask from the time of his or her arrival in Tasmania until the relevant traveller arrives at the part, of premises, where he or she intends to isolate or quarantine as so required; and
  - (g) the Director of Public Health, or his or her delegate, may exempt a person, or a specified class of persons, from undergoing one or more of the clinical assessments and tests required under this direction, subject to the conditions, if any, that the Director of Public Health or his or her delegate, respectively, consider appropriate in the circumstances; and
  - (h) in this direction –
    - (i) **arrives in Tasmania**, in relation to a person, means that the person has entered the land within Tasmania; and
    - (ii) **at-risk area of New Zealand** means an area, or premises, within New Zealand which the Director of Public Health, or his or her delegate, has determined to be a high risk, or medium risk, to public health in respect of the disease; and

- (iii) **authorised officer** has the same meaning as in the *Emergency Management Act 2006*; and
- (iv) **clinical symptoms of the disease** means the following symptoms:
  - (A) a temperature of 37.5°C or more;
  - (B) night sweats;
  - (C) chills;
  - (D) coughing;
  - (E) shortness of breath;
  - (F) sore throat;
  - (G) loss of taste;
  - (H) loss of smell; and
- (v) **exempt person** means a person who –
  - (A) is arriving in Tasmania for the purposes of transport, freight and logistics; and
  - (B) is not required to isolate or quarantine on his or her arrival in Tasmania for that purpose; and
- (vi) **relevant traveller** means a person, other than an exempt person, arriving in Tasmania who –
  - (A) within the 14-day period before arriving in Tasmania, has spent time in a medium risk area or premises, or a high risk area or premises, as determined by the Director of Public Health or his or her delegate, other than time spent transiting directly through the area; or
  - (B) within the 14-day period before arriving in Tasmania, has spent time in –
    - (I) a country other than Australia or New Zealand; or
    - (II) an at-risk area of New Zealand; or
  - (C) within the 14-day period before arriving in Tasmania, has disembarked from a cruise ship; or
  - (D) within the 28-day period before arriving in Tasmania, has spent time in a country other than Australia or New Zealand, or spent time in an at-risk area of New Zealand, due to his or her employment or engagement as a crewmember of a vessel; and
- (vii) **test for the disease** means a nucleic acid detection test, for the genetic material of SARS-CoV-2, conducted by a laboratory with the relevant accreditation, for such a test, by the National Association of Testing Authorities; and
- (viii) **transiting directly**, through an area, means the person transiting through the area only stopped in the area to –
  - (A) disembark, at an airport within the area, from a flight that originated outside the area, if the person only leaves that airport on a flight where the destination is outside of the area; or
  - (B) refuel the vehicle being used to transit through the area; and
- (i) on 24 September 2021, the direction, given by me on 19 August 2021 and entitled *Arrival requirements for certain travellers into Tasmania – No. 9*, is revoked.

(Mandatory Vaccination of Certain Workers – No. 4)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that –

- (a) on and from 17 September 2021, a person is not permitted to enter, or remain on, the premises of a residential aged care facility unless the person is sufficiently vaccinated against the disease as specified in paragraph (f) if the person –
  - (i) is employed, or engaged, by or on behalf of the residential aged care facility, regardless of whether consideration is paid or payable for the employment or engagement; or
  - (ii) is undertaking a clinical placement, or work experience, at the residential aged care facility; or
  - (iii) is employed, or engaged, by or on behalf of the residential aged care facility, to provide services, other than maintenance services, in respect of the residential aged care facility or one or more residents of the residential aged care facility, regardless of whether consideration is paid or payable for the employment or engagement; and
- (b) on and from 17 September 2021, a person is not permitted to enter, or remain on, the premises of a quarantine site unless the person is sufficiently vaccinated against the disease as specified in paragraph (f) if the person –
  - (i) is employed, or engaged, by or on behalf of the quarantine site, regardless of whether consideration is paid or payable for the employment or engagement, other than persons who are only present on the site for as long as is necessary to deliver goods to, or collect goods from, the site; or
  - (ii) is employed, or engaged, to provide services in respect of the quarantine site, or persons residing at the quarantine site, regardless of whether consideration is paid or payable for the employment or engagement, other than persons who are only present on the site for as long as is necessary to deliver goods to, or collect goods from, the site; and
- (c) on and from 17 September 2021, a person is not permitted to provide quarantine transport services unless the person is sufficiently vaccinated against the disease as specified in paragraph (f) if the person is employed, or engaged, by the Tasmanian Government, to transport affected travellers or other persons directed to isolate or quarantine in respect of the disease –
  - (i) from the location of the affected traveller's arrival into Tasmania, or the other persons location within Tasmania, to a quarantine site; or
  - (ii) from one quarantine site to another quarantine site; or
  - (iii) from a quarantine site to another location, as directed –
    - (A) by the Director of Public Health, or his or her delegate; or
    - (B) under the *Emergency Management Act 2006*; or
  - (iv) from a quarantine site to another location from where the affected traveller intends to leave Tasmania; and

- (d) on and from 31 October 2021, a person is not permitted to enter, or remain on, the premises of a medical or health facility, unless the person is sufficiently vaccinated against the disease as specified in paragraph (f) if –
  - (i) health and medical services or treatments are provided at the medical or health facility and the person is –
    - (A) employed or engaged by or on behalf of the medical or health facility, regardless of whether consideration is paid or payable for the employment or engagement; or
    - (B) employed or engaged to provide health and medical services or treatments at a medical or health facility, regardless of whether consideration is paid or payable for the employment or engagement; or
    - (C) employed or engaged by or on behalf of the Department of Health, regardless of whether consideration is paid or payable for the employment or engagement; or
    - (D) undertaking a clinical placement, or work experience, at the medical or health facility; and
  - (ii) the person is entering the premises for the purposes of –
    - (A) that employment or engagement; or
    - (B) that placement or work experience; and
- (e) on and from 31 October 2021, a person is not permitted to provide health and medical services or treatments unless the person is sufficiently vaccinated against the disease as specified in paragraph (f); and
- (f) for the purposes of paragraphs (a), (b), (c), (d) and (e), a person is sufficiently vaccinated against the disease if –
  - (i) the person has received all of the doses of a vaccine for the disease that is necessary for the person to be issued with –
    - (A) a vaccination certificate in respect of the disease issued by the Australian Immunisation Register, operated by or on behalf of the Commonwealth Government; or
    - (B) an equivalent document from a jurisdiction outside of Australia that is recognised by the Commonwealth Government or the Director of Public Health; or
  - (ii) the person has received at least one dose of a vaccine for the disease and has made a booking to receive, as soon as is reasonably possible, all other required doses of the vaccine that are necessary for the person to be issued with a document referred to in subparagraph (i) in respect of the disease; or
  - (iii) the person –
    - (A) has made a booking to receive the first dose of a vaccine for the disease as soon as is reasonably possible; and
    - (B) provides evidence of the booking to the relevant supervisor of the person; and

## Promotion Without Advertising

### AGENCY: EDUCATION

It is my intention to request the Head of the State Service to exercise discretion to not advertise the following duties in accordance with section 40 (2) of the *State Service Act 2000* and to promote the following permanent employee:

**Name:** A Robertson

**Duties Assigned:** Project and Policy Coordinator - Workforce Strategy

**Description of the Role:** Provide strategic support and high quality advice on matters relating to workforce strategy projects, policies and planning, together with contributing to the initial establishment and development of a workforce planning strategy that enables the Department to achieve its strategic goals by optimising and developing its workforce.

**Essential Requirements:** ○ The *Registration to Work with Vulnerable People Act 2013* requires persons undertaking work in a regulated activity to be registered. A regulated activity is a child related service or activity defined in the *Registration to Work with Vulnerable People Regulations 2014*. This registration must remain current and valid at all times whilst employed in this role and the status of this may be checked at any time during employment.

- Current Tasmanian Registration to Work with Vulnerable People (Registration Status – Employment)

**Desirable Requirements:**

- Relevant tertiary qualifications
- A current driver's licence

State Service employees aggrieved by this intention may make application to the Tasmanian Industrial Commission for a review under section 50(1)(b) of the *State Service Act 2000*. Applications for review are to be lodged with the Tasmanian Industrial Commission within 14 days of the publication of this notice in the Tasmanian Government Gazette.

**Signed:** Tim Bullard

### AGENCY: STATE GROWTH

It is my intention to request the Head of the State Service to exercise discretion to not advertise the following duties in accordance with section 40 (2) of the *State Service Act 2000* and to promote the following permanent employee:

**Name:** C Reardon

**Duties Assigned:** Manager Safety, Wellbeing and Better Business

**Description of the Role:** To provide high level, expert advice to the department's leadership team and work in partnership with State Growth business areas to ensure policy, procedures and systems are in place to comply with current work health and safety legislation. The occupant plays a key role in leading the achievement of the department's work health, safety and wellbeing goals and objectives, including leading policy initiatives, identifying areas of risk to State Growth and developing effective and innovative solutions.

The role also works with the Director People and Culture to deliver a work program that drives operational performance through the development and implementation of a people and culture business improvement program that enhances the delivery of services

State Service employees aggrieved by this intention may make application to the Tasmanian Industrial Commission for a review under section 50(1)(b) of the *State Service Act 2000*. Applications for review are to be lodged with the Tasmanian Industrial Commission within 14 days of the publication of this notice in the Tasmanian Government Gazette.

**Signed:** Kim Evans
