### PUBLIC HEALTH ACT 1997

#### DIRECTION UNDER SECTION 16

*(Isolation – No. 6)*

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that –

- (a) each person diagnosed with the disease must, on being diagnosed with the disease –
  - (i) travel directly to, or remain at, a suitable place in respect of the person; and
  - (ii) remain, subject to paragraph (b), at that place until the person is released from isolation in accordance with paragraph (d); and
  - (iii) if the person is diagnosed with the disease by receiving a positive result on a Rapid Antigen Test, the person must notify the Department, in an approved manner, of the positive result; and
- (b) a person diagnosed with the disease must remain at a suitable place unless –
  - (i) the person is travelling directly to, or from, another suitable place; or

- (ii) there is an emergency that requires the person to leave the suitable place to protect his or her personal safety, or the safety of another, and the person immediately returns to a suitable place as soon as the emergency has passed; and
- (c) a person who leaves a suitable place before he or she is released from isolation must wear a fitted face covering that fits securely around the face and is designed, or made, to be worn over the nose and mouth to provide protection against infection –
  - (i) unless –
    - (A) the person has left the suitable place due to an emergency in accordance with paragraph (b)(ii); and
    - (B) it is not practicable in the circumstances for the person to obtain, or wear, the fitted face covering; or
  - (iii) unless the person holds an exemption, or is a person within a class of persons specified in an exemption, from the requirements of this paragraph that is given by the Director of Public Health or his or her delegate; and
- (d) unless otherwise directed by the Director of Public Health or his or her delegate, a person diagnosed with the disease is released from isolation if –
  - (i) a relevant authority has notified the person that the person is released from isolation; or
  - (ii) if the person meets the criteria for the release from isolation, as approved by the Director of Public Health, or his or her delegate, and published on the website operated by, or on behalf of, the Tasmanian Government in respect of the disease; and
- (e) until a person diagnosed with the disease has been released from isolation in accordance with paragraph (d), the person must not have contact with another person unless –
  - (i) the other person –
    - (A) is providing medical care or treatment to the person so diagnosed or providing assistance to the person providing that medical care or treatment; or
    - (B) is responding to an emergency, whether that emergency is medical or otherwise; or
    - (C) is also diagnosed with the disease; or
    - (D) has not attained the age of 18 and the person diagnosed with the disease is the sole available care giver for the other person; or
    - (E) is a close contact of the person diagnosed with the disease and is in quarantine at the same suitable place as that person; or
  - (ii) the contact does not require the two persons to be in the same physical space while the contact occurs; and
- (f) in this direction –
  - (i) **approved manner**, in relation to a notification to the Department, means a manner approved by the Director of Public Health, or his or her delegate, and published on the website operated by, or on behalf of, the Tasmanian Government in respect of the disease; and

- (ii) **Coronavirus Disease 2019 (COVID-19) CDNA National Guidelines for Public Health Units** means the national guidelines, published on 24 December 2021 by the Communicable Diseases Network Australia and endorsed by the Australian Health Protection Principle Committee, as amended or substituted from time to time; and
- (iii) **diagnosed with the disease**, in relation to a person, means the person has received a positive result from a test for the disease; and
- (iv) **PCR test** means a nucleic acid detection test, for the genetic material of SARS-CoV-2, conducted by a laboratory with the relevant accreditation, for such a test, by the National Association of Testing Authorities; and
- (v) **premises** has the same meaning as in the Act; and
- (vi) **Rapid Antigen Test** means a test, to detect the presence of viral protein from SARS Cov-2, that –
- (A) is intended for use primarily outside a laboratory; and
  - (B) is not based on nucleic acid detection methods such as a polymerase chain reaction; and
  - (C) is approved by the Therapeutic Goods Administration for use in Australia; and
- (vii) **relevant authority** means –
- (A) a medical practitioner; or
  - (B) such other person approved by the Director of Public Health, or his or her delegate, as a relevant person; and
- (viii) **suitable place**, in relation to a person diagnosed with the disease, means –
- (A) if the person requires medical treatment, the hospital, or another place, for medical treatment as directed by –
    - (I) the person who diagnosed the disease; or
    - (II) the operator of the Tasmanian Public Health Hotline, operated by the Department of Health in respect of the disease, who is responding to a call to that Hotline by the person; or
    - (III) a person registered under the *Health Practitioner Regulation National Law (Tasmania)* in the medical, dental, paramedicine or midwifery profession; or
  - (B) if the person does not require medical treatment and intends to isolate at his or her primary residence, the primary residence of the person; or
  - (C) if the person does not require medical treatment and does not intend, or is unable, to isolate at his or her primary residence, other premises that are approved by the Director of Public Health, or his or her delegate, as suitable premises for the person to be in isolation; or
  - (D) the place where the person has been directed, under the Act or the *Emergency Management Act 2006*, to complete his or her isolation; or
  - (E) if the person is in isolation at premises other than his or her primary residence and wishes to return to his or her primary residence, the primary residence of the person if the Director of Public Health, or his or her delegate, has approved the relocation to the primary residence; and
- (ix) **test for the disease** means a PCR test or a Rapid Antigen Test; and
- (g) the *Acts Interpretation Act 1931* applies to the interpretation of this direction as if it were regulations made under the Act; and
- (h) the direction, made by me on 10 December 2021 and entitled *Isolation – No. 5*, is revoked.

Dated this 7th day of January 2022

MARK VEITCH  
Director of Public Health

PUBLIC HEALTH ACT 1997  
DIRECTION UNDER SECTION 16

(Quarantine – No. 8)

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* (“the Act”), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 (“the disease”), direct that, commencing at midday on 14 January 2022 –

- (a) a person who is a close contact in respect of the disease must –
  - (i) travel directly to a suitable place in respect of the close contact; and
  - (ii) undergo a test for the disease on, or as soon as practicable after the 1st day, and the 6th day, after he or she last had contact with the confirmed case in respect of which he or she is a close contact; and
  - (iii) subject to paragraphs (b), (e) and (f), remain in quarantine at a suitable place in respect of the close contact for at least 7 days after he or she last had contact with the confirmed case in respect of which he or she is a close contact; and
- (b) a person who is a close contact in respect of the disease must remain at a suitable place in respect of the close contact while he or she is required to so quarantine unless –
  - (i) the person is travelling directly to, or from, another suitable place in respect of the person; or
  - (ii) the person is travelling directly to, or from, a location where he or she is undertaking, or collecting, a test for the disease as required under this direction; or
  - (iii) the person is a critical worker who is travelling directly to, or from, his or her workplace, in accordance with paragraph (f); or
  - (iv) there is an emergency that requires the person to leave the suitable place in respect of the person to protect his or her personal safety, or the safety of another, and the person immediately returns to a suitable place in respect of the person as soon as the emergency has passed; and
- (c) if a person who is required to quarantine under this direction leaves a suitable place in respect of the person while he or she is required to so quarantine, the person must wear a fitted face covering; and
- (d) if a person (a “quarantined person”) who is required to remain in quarantine under this direction is quarantining at a suitable place in respect of the person (other than premises referred to in paragraph (A) of the definition of suitable place) with one or more persons (“the isolated persons”) who are in isolation at that place and who are diagnosed with the disease, the quarantined person must remain in quarantine at a suitable place in respect of the

- person until the end of the 7-day period after each of the isolated persons is no longer required under the Act to be isolated and the quarantined person is not otherwise required under this direction to be in quarantine; and
- (e) despite paragraph (a)(iii), a person in quarantine under this direction may leave his or her suitable place if –
- (i) the Director of Public Health, or his or her delegate, has notified the person that that the person may leave his or her suitable place for the reason specified in the notification, subject to such conditions as may be specified in the notification; and
  - (ii) the person complies with each relevant condition specified in the notification; and
- (f) despite paragraph (a)(iii) a critical worker in quarantine under this direction may leave his or her suitable place if –
- (i) the employer of the critical worker has lodged a form, as approved by the Director of Public Health or his or her delegate, that –
    - (A) states that the workplace operated by the employer provides critical services; and
    - (B) specifies the roles within the workplace that, if those roles were not performed, would disrupt the delivery of those critical services; and
  - (ii) the employer of the critical worker has received written evidence from the Director of Public Health, or his or her delegate, that the critical services and roles specified in the approved form, lodged by the employer under subparagraph (i), have been registered for the purposes of this direction; and

# Advertise in the TASMANIAN GOVERNMENT GAZETTE

If you want to communicate your business' products and services to government agencies, there is no better way than advertising in the weekly Government Gazette.

Not only delivered in hard copy format, the gazette is also fully digital, and compatible across phone, tablet and computer platforms. Full colour and the ability to embed hyperlinks to your website makes the digital gazette a powerful advertising tool.

# CHECK IN

## QR CODE BUNDLES

Protect your community and your business

### WHY?

We all have a part to play in protecting our community. Making sure it's easy for staff and customers to check in is where you come in. Don't put your reputation on the line with poorly displayed signage.

### WHAT?

Our Check In QR Code bundles include floor stands, pull-up banners, floor graphics, window graphics and coasters. All designed to ensure that your staff and customers are checked in safely!

### HOW?

Scan the QR below and select a bundle from the list, or contact us to arrange a custom order. We'll handle the rest by producing your signage.
