## Government Notices

### Treasury and Finance

Hobart, 13 February 2008

#### *Fee Units Act 1997*

THE *Fee Units Act 1997* provides for automatic changes in Government fees and charges in accordance with movements in the Hobart Consumer Price Index (CPI). The Fee Units Act also provides for adjustments to be made on the basis of factors other than movements in the CPI through a fee unit adjustment factor.

In accordance with section 5 of the Fee Units Act, the value of a fee of a fee unit is increased by the CPI increase and for 2008-09 will be \$1.28.

In accordance with section 5(4) of the Fee Units Act, I have determined the fee unit adjustment factor for 2008-09 to be zero.

In determining the value of the fee unit adjustment factor, it was considered that there were no special factors that would warrant the discounting of the increase in the value of a fee unit in 2008-09 below the CPI increase.

MICHAEL AIRD, M.L.C., Treasurer..
