Together we are making a difference.

Tips for a green office.

Reduce the amount of paper used

- Use scrap paper for notes
- Print two pages per A4 page, if you have duplex printing, print on both sides of the page
- Only print emails or documents when necessary

Ensure access to recycling services

- Place all used paper in paper recycling bin
- Collect cardboard boxes for recycling and place into your recycling bin
- Place your plastic bottles, aluminium cans, tin cans, milk and juice cartons in a separate recycling bin

Reduce energy consumption:

- Turn off office lighting when not in use
- Activate sleep mode on your computer to switch off the screen after ten minutes
- Switch off office equipment when leaving the office

Reducing waste

- Bring a mug to work and have some set aside for visitors
- Bring lunch from home or eat in a local café to avoid packaging waste generated by take away foods.

Dont worry, our sales team know more than enough.

They also know one other very important fact: that it's just that - jargon.

Talk to one of our experienced sales representatives and you'll come away with a crystal clear understanding of the ins and outs of your printing job. We know what you want

because we know the right questions to ask.

No guesses, no hazy ideas, no fudging...just the information needed to be assured that your publication will be a sight for sore eyes.

Call us on 6233 3168 for the bottom line on all your printing requirements.
