## Certification of NPA Projects

This page has intentionally been left blank

**CERTIFICATION OF 'NPA PROJECTS' BY THE PROJECT AUTHORITY**  
**S.12 of the *Nation Building and Jobs Plan Facilitation (Tasmania) Act 2009***

Notice is hereby given that I JOHN SMYTH as the Secretary of the Department of Education, being satisfied of each and every one of the matters referred to in Section 12(1) of the *Nation Building and Jobs Plan Facilitation (Tasmania) Act 2009*, have certified each of the school infrastructure projects listed below.

In doing so, I fix and specify the relevant use and development for each project to be as specified in the applicable row of the column in the table below entitled 'Use and development associated with the project'.

| What the project involves (nature and scope of the required works) | Exact site of project                                        | Municipality   | Use and development associated with the project                                                                                                                                                                                                                                                                                      | Certification No. |
|--------------------------------------------------------------------|--------------------------------------------------------------|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| New covered walk way, footpath, canopy and access ramp to store    | Bowen Road Primary School<br>35 Bowen Road<br>Glenorchy      | Glenorchy City | Construction of a new painted steel covered walk way and associated footpath to replace the existing timber covered way at the Bowen Road end of the site. Construction of a disability access ramp and canopy to service an existing store room. No new floor area. Maximum height approximately 3.5m.<br>Primary use: educational. | C-GS215           |
| New enclosure over existing outdoor pool                           | Deloraine Primary School<br>East Barrack Street<br>Deloraine | Meander Valley | Construction of new timber portal enclosure over existing outdoor pool. Size: approximately 480m <sup>2</sup> with maximum height approximately 6m.<br>Primary use: educational. Community use expected after hours with times to be negotiated.                                                                                     | C-GS216           |

The proponent for these projects is:

The Crown in right of the State of Tasmania, as represented by the Department of Education  
 GPO Box 169, Hobart Tas 7001  
 (03) 6233 7096

| What the project involves (nature and scope of the required works) | Exact site of project                             | Municipality   | Use and development associated with the project                                                                                                                                                                                                                                                                                                                                                                                      | Certification No. |
|--------------------------------------------------------------------|---------------------------------------------------|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| Design and Discovery Centre                                        | Dominic College<br>204 Tolosa Street<br>Glenorchy | Glenorchy City | Refurbish existing building to provide specialist-learning areas for design, fabrication, drama, dance and discovery activities. Size 1125m <sup>2</sup> . Distance from boundary 35m, building height 9.5m. No additional car parking proposed. No increase to staff or student numbers.<br>Primary use: educational, normal school hours. Potential after hours community use of dance and drama space subject to school approval. | C-CS/898DDC       |
