Living Marine Resources

Living Marine Resources Management Act 1995

Fisheries (Abalone) Rules 2009, Rule 9

PUBLIC NOTICE - DATES OF CLOSING OF THE RECREATIONAL
ABALONE FISHERY FOR STATE WATERS FROM THE SOUTHERN
POINT OF DIAMOND ISLAND TO CAPE LODI IN THE SOUTH

I, Wes Ford, General Manager, Water and Marine Resources, pursuant to Rule 9 of the *Fisheries (Abalone) Rules 2009*, and delegated authority under Section 20(1) of the *Living Marine Resources Management Act 1995*, hereby determine that the dates of the closed season for the taking of abalone (*Genus Haliotis*) for recreational purposes from all state waters within the area south of a line of latitude commencing from the southern point of Diamond Island to a line of latitude commencing at Cape Lodi including the area known as Waub's Bay to be:—

- from 19 January 2011 to April 2011, inclusive;

Dated this 18/01/2011

WES FORD,
General Manager, Water and Marine Resources

Information

As a precautionary measure to prevent the possible spread of a disease affecting abalone that has been identified in the area, the recreational abalone fishery south of Diamond Island to Cape Lodi is to remain closed until 1 April 2011.

For enquires please telephone 6233 3512.

Living Marine Resources

Living Marine Resources Management Act 1995

ORDER RELATING TO DISEASED AREA (RESTRICTIONS ON RECREATIONAL ABALONE FISHING FROM THE SOUTHERN POINT OF DIAMOND ISLAND TO CAPE LODI)

I, Wes Ford as General Manager, Water and Marine Resources pursuant to Section 271 of the *Living Marine Resources Management Act 1995* and under delegated authority under Section 20(1) of the *Living Marine Resources Management Act 1995* declare that all state waters within the area south of a line of latitude commencing from the southern point of Diamond Island to a line of latitude commencing at Cape Lodi including the area known as Waub's Bay to be diseased having Abalone Viral Ganglioneuritis present, and therefore prohibit the take of abalone (*Genus Haliotis*) from those waters for the period extending from 19 January 2011 to 1 April 2011 (inclusive).

Dated this 18/01/2011

WES FORD,
General Manager, Water and Marine Resources

Information

As a precautionary measure to prevent the possible spread of a disease affecting abalone that has been identified in the area from the southern point of Diamond Island to Cape Lodi in the South and including Waub's Bay.

For enquires please ring 6233 3512.
