I, Jeremy Rockliff, Minister for Primary Industries and Water, acting pursuant to section 11 of the *Water Management Act 1999*, hereby exempt all licensees with a water allocation authorising the taking of water in the Boobyalla River catchment (as shown in Figure 1), from the cease-to-take flow thresholds specified in Table 6 of section 5.1.1 of the *Boobyalla River Catchment Water Management Plan April 2012*.

Figure 1. Boobyalla River Catchment

Persons to whom this exemption applies are subject to the following conditions:

- (1) The taking of water from a watercourse, other than for stock and domestic purposes through rights under Part 5 of the Act, will not be permitted when the measured flow drops to the thresholds set out in Table I.

Expressions used in this exemption have the same meaning as in the *Water Management Act 1999*.

Jeremy Rockliff
MINISTER FOR PRIMARY INDUSTRIES AND WATER

Dated this twenty sixth day of October 2016

Information

The purpose of this Order is to exempt licensees in the Boobyalla River catchment Water Management Plan area from the requirements set out in Table 5 of the *Boobyalla River Catchment Water Management Plan April 2012*. A condition of the exemption is that licensees are subject to an alternative, lower cease to take threshold as specified in Table I of this Order.

The cease-to-take flow thresholds in the *Boobyalla River Catchment Water Management Plan April 2012* were based on conservative environmental flow assessments. Since the Plan took effect a more detailed catchment specific assessment has been undertaken indicating that the current cease-to-take flow thresholds do not adequately reflect the variable and intermittent flow regimes prevailing in this catchment. This exemption takes effect on the day upon which it is gazetted and remains in force for a period of five years unless otherwise revoked.
