## Fee Units

### FEE UNITS ACT 1997

The *Fee Units Act 1997* provides for automatic changes in Government fees and charges in accordance with movements in the Hobart Consumer Price Index (CPI). The Fee Units Act also provides for adjustments to be made on the basis of factors other than movements in the CPI through a fee unit adjustment factor.

In accordance with section 7 of the Act, I give notice that:

- the value of a fee unit for the financial year commencing 1 July 2021 is \$1.65; and
- the adjustment factor used in the calculation of the fee unit is 0.0245.

In determining the adjustment factor for the purpose of section 5(4) of the Act, the Treasurer, Hon Peter Gutwein MP, has taken into consideration the fact that the fee unit was increased in 2020-21, but Tasmanian Government fees were frozen at 2019-20 levels as part of the second COVID-19 stimulus package. In response, the Treasurer has determined an adjustment factor of 0.0245 for the calculation of a fee unit under the Act for 2021-22.

An adjustment factor greater than zero was required to remove the impact of the previous fee unit increase and avoid two years of CPI movements being reflected in the value of the fee unit to apply in 2021-22. The amount of the adjustment factor ensures that the fee increase for 2021-22 is equal to the change in the average CPI between 2019 and 2020. This will result in fees increasing by around 1.85 per cent in 2021-22.

MICHAEL FERGUSON MP  
Minister for Finance

3. The Owner may erect a fence across the Easement Land at the boundaries of the Lot.
4. The Owner may erect a gate across any part of the Easement Land subject to these conditions:
