Any expression used in this notice having a particular meaning under the Act or the Rules has the same meaning in this notice.

Dated at HOBART this 29th day of March 2021

Dr Ian Dutton
Director, Marine Resources

Information

(This information does not form part of the notice)

This public notice has the effect of closing the commercial dive fishery to the take of periwinkles in the south-eastern zones from 31st of March 2021 to 31st of August 2021 inclusive as part of arrangements to control the total amount of periwinkles harvested in the area in the interest of resource sustainability

Living Marine Resources Management Act 1995
Fisheries (Biosecurity) Order 2021

Pursuant to the powers under section 270 of the *Living Marine Resources Management Act 1995* ("the Act") that were delegated to the Director (Marine Resources) (position number 702830) on 12 November 2018 by the Minister acting pursuant to section 20(1) of the Act I make the following order:

1. Short title

This order may be cited as the *Fisheries (Biosecurity) Order 2021*.

2. Specification

This order is made -

- (a) in respect of the harmful disease *abalone viral ganglioneuritis*; and
- (b) to implement treatment and testing requirements designed to prevent the introduction of that disease into State waters.

3. Directions issued

- (1) That an abalone processor must, unless otherwise authorised, ensure that no abalone live-holding water is discharged into State waters from any holding premises used under the relevant licence unless that water has-
 - (a) been treated using a system capable of achieving, on comparing water immediately prior to entering treatment with water immediately on leaving treatment, a minimum 3 log 10 reduction in total marine heterotrophic bacteria; and
 - (b) achieved a discharge concentration value of $<3 \log 10$ (≤ 999 bacterial colony forming units per mL).
- (2) That an abalone processor must, in each of the testing periods-
 - (a) cause a water sample to be taken by an agent of an approved service from each holding premises used under the relevant licence; and
 - (b) cause the water sample to be tested by an approved laboratory for the discharge concentration value referred to in subclause (1)(b); and
 - (c) submit the results of that testing to the Secretary.
- (3) That an abalone processor must allow access to any holding premises used under the relevant licence to any officer of the Department of Primary Industries, Parks, Water and Environment for the purposes of-
 - (a) inspecting the abalone live-holding water treatment system;
 - (b) inspecting any abalone held on the premises;
 - (c) seizing any suspected diseased abalone for testing; and
 - (d) taking a water sample for testing for the discharge concentration value referred to in subclause (1)(b).

4. Interpretation

In this order -

"abalone" means live fish of the genus *Haliotis*;

"abalone processor" means the holder of a fish processing licence that authorises the processing of abalone;

"approved laboratory" means a laboratory approved to conduct tests relevant to ascertaining performance related to the standards in subclauses 3(1)(a) and 3(1)(b);

"approved service" means a service approved to take samples to be provided for testing by an approved laboratory;

"Tasmania's biosecurity regions" means the regions specified in Part 1 and described in Part 2 of the Schedule to this order;

"holding premises" means premises used to hold abalone taken from outside the relevant biosecurity region for those premises;

"introduction" includes re-introduction;

"relevant biosecurity region", for premises, means, with reference to Tasmania's biosecurity regions, the biosecurity region adjacent to that part of the State's coastline where, or closest to where, those premises are situated;

"relevant licence", for an abalone processor, means the fish processing licence that authorises the abalone processor to process abalone;

"testing periods" means the following periods:

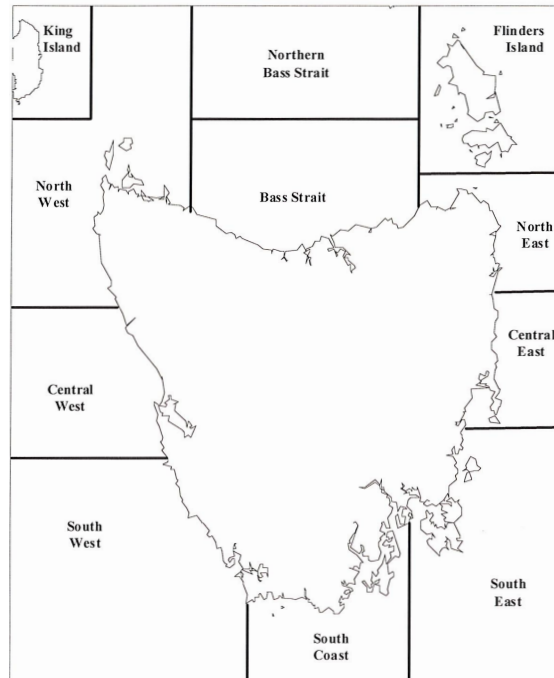

- (a) October of each calendar year;
- (b) the four week period commencing six weeks before each Chinese New Year.

Dated this 29th day of March 2021

Dr Ian Dutton
Director, Marine Resources
