**Secure.
Trusted.
Accurate.**

When it comes to document management in Tasmania, Acrodata can scan, store, supply images and archive your most important documents like no other.

Our combined business group means your options are endless.

Proudly Tasmanian owned and operated since 2006, Acrodata is Tasmania's largest and most trusted document management specialist. Our facilities are TAHO accredited and operate to the highest security required by State and Federal Government for document management.

As part of the Fuji Xerox Business Centre Tasmania's suite of business solutions, we re-utilise existing office hardware, software and communications in organisations to create a Content Management capability that means isolated islands of information are now connected.

We've got you.

Specialist Digitisation Services

Storage, access to and management of large documents like plans and engineering drawings is an incredibly difficult task. When your plans and drawings are on paper or aperture cards it is a nightmare to retrieve, view, print, forward or distribute.

The future has landed! Acrodata and our unique Store and Digitise on Demand service means you can have any plan or drawing available when you want it. Acrodata will store, manage, digitise and retrieve plans, drawings and aperture cards, in the time you request.

- Brand new technology producing image quality previously not possible
- Digitise and/or Retrieve for less than the cost of a reproduction.
- Full digitisation of collections with a fixed completion date
- Any plan or drawing delivered to you as a digital image immediately on request

Manage the risk of redundant technology limiting your access to vital information.

Digitise your past to protect your future now.
