Land Acquisition

LAND ACQUISITION ACT 1993

NOTICE OF ACQUISITION

(Section 16)

Pursuant to section 16 of the *Land Acquisition Act 1993* (**LAA**) and section 56G of the *Water and Sewerage Industry Act 2008* the Tasmanian Water & Sewerage Corporation Pty Ltd (ACN 162 220 653) (**TasWater**) (being an acquiring authority in accordance with the LAA), does hereby declare that the Pipeline and Services Easement described in Schedule 1 hereto is taken and vested in TasWater absolutely under the LAA together with any other rights, functions or obligations stated in the Pipeline and Services Easement as described in Schedule 1.

Dated this eighth day of March 2023.

For and on behalf of Tasmanian Water & Sewerage Corporation Pty Ltd (ACN 162 220 653),

LUKE STANFORD, Legal Practitioner

Schedule 1

A Pipeline and Services Easement within that area of land described and shown as "TASWATER EASEMENT 6.00 WIDE" (**Easement Land**) on the Plan at Schedule 2 within the land comprised in Folio of the Register Volume 207581 Folio 1 situated in the Parish Scottsdale Land District of Dorset Lot 1 on Plan 207581 and registered in the name of Bissett Agricultural Enterprises Pty Ltd and Frederick Hubert Bissett.

The Pipeline and Services Easement is defined as follows:-

THE FULL RIGHT AND LIBERTY for the TasWater at all times to:

- (1) enter and remain upon the Easement Land with or without employees, contractors, agents and all other persons duly authorised by it and with or without machinery, vehicles, plant and equipment;
- (2) investigate, take soil, rock and other samples, survey, open and break up and excavate the Easement Land for any purpose or activity that TasWater is authorised to do or undertake;
- (3) install, retain, operate, modify, relocate, maintain, inspect, cleanse and repair the Infrastructure;
- (4) remove and replace the Infrastructure;
- (5) run and pass sewage, water and electricity through and along the Infrastructure;
- (6) do all works reasonably required in connection with such activities or as may be authorised or required by any law:
 - (1) without doing unnecessary damage to the Easement Land; and
 - (2) leaving the Easement Land in a clean and tidy condition; and
 - (3) if the Easement Land is not directly accessible from a highway, then for the purpose of undertaking any of the preceding activities TasWater may with or without employees, contractors, agents and all other persons authorised by it, and with or without machinery, vehicles, plant and equipment enter the Lot from the highway at any then existing vehicle entry and cross the Lot to the Easement Land; and
 - (4) use the Easement Land as a right of carriageway for the purpose of undertaking any of the preceding purposes on other land, TasWater reinstating any damage that it causes in doing so to any boundary fence of the Lot.

PROVIDED ALWAYS THAT:

- (1) The Owner must not without the written consent of TasWater first had and obtained (which cannot be unreasonably refused) and only in compliance with any conditions which form the consent:
 - (a) alter, excavate, plough, drill or otherwise penetrate the ground level of the Easement Land;
 - (b) install, erect or plant any building, structure, fence, pit, well, footing, pipeline, paving, tree, shrub or other object on or in the Easement Land;
 - (c) remove any thing that supports, protects or covers any Infrastructure on or in the Easement Land;
 - (d) do anything which will or might damage or contribute to damage to any of the Infrastructure on or in the Easement Land;
 - (e) in any way prevent or interfere with the proper exercise and benefit of the Easement Land by TasWater or its employees, contractors, agents and all other persons duly authorised by it; or
 - (f) permit or allow any action which the Owner must not do or acquiesce in that action.
 - (2) TasWater is not required to fence any part of the Easement Land.
 - (3) The Owner may erect a fence across the Easement Land at the boundaries of the Lot.
 - (4) The Owner may erect a gate across any part of the Easement Land subject to these conditions:
 - (a) the Owner must provide TasWater with a key to any lock which would prevent the opening of the gate; and
 - (b) if the Owner does not provide TasWater with that key or the key provided does not fit the lock, TasWater may cut the lock from the gate.
 - (5) If the Owner causes damage to any of the Infrastructure, the Owner is liable for the actual cost to TasWater of the repair of the Infrastructure damaged.
 - (6) If the Owner fails to comply with any of the preceding conditions, without forfeiting any right of action, damages or otherwise against the Owner, TasWater may:
 - (a) reinstate the ground level of the Easement Land; or
 - (b) remove from the Easement Land any building, structure, pit, well, footing, pipeline, paving, tree, shrub or other object; or
 - (c) replace anything that supported, protected or covered the Infrastructure.

Animal Health

General Authority

Importation of non-viable fish and restricted fish material

Animal Health Act 1995

Section 18

1. I, Kevin de Witte, being and as the Chief Veterinary Officer under the *Animal Health Act 1995* (the Act), and acting pursuant to section 18 of the Act hereby –

- (a) Revoke the general authority issued under section 18 of the Act by the Chief Veterinary Officer for the importation of non-viable fish and of restricted fish material dated 2 July 2004; and
- (b) Issue a general authority, subject to the conditions below, for the import into Tasmania of non-viable fish and of restricted fish material.

2. This general authority may be cited as the *General Authority for the importation of non-viable fish and restricted fish material 2023*, and is subject to the following conditions and restrictions:

3. Interpretation

- (1) In this general authority, unless the contrary intention appears –

"**competent authority**" means –

- (a) for a country other than Australia, an authority approved in writing by the Chief Veterinary Officer for the purposes of this General Authority; or
- (b) for a State, the Chief Veterinary Officer, or equivalent, of that State or a person approved in writing for the purposes of this General Authority by the Chief Veterinary Officer or equivalent of that State;

"**commercially sterile**", for any material, means free of micro - organisms that are capable of growing in or on the material in the conditions it is likely to be subjected to during storage and distribution;

"**fish**" means

- (a) bony fish of the class *Osteichthyes*; and
- (b) sharks, rays, lampreys and other cartilaginous fish of the classes *Chondrichthyes* and *Agnatha*;

"**inform**" includes cause to be informed;

"**material**" means –

- (a) a carcass, or part of a carcass, of fish; or
- (b) restricted material as declared by the Minister in the Notice of the 1 of June 2004 and published in the *Gazette* on the 7 of July 2004;

"**present**" includes cause to be presented;

"**State**" means a State or Territory of Australia;

"**thermally processed**", for any material, means that the material has been through a heat sterilisation process at a temperature and for a time that makes the material commercially sterile;

"**unloading area**", with respect to any material, means anywhere within 1500 metres of the material's first point of arrival on land in Tasmania, following its removal from the vessel or aircraft on or in which it was transported to Tasmania;

"**unloading time**", with respect to any material, means the time at which the material is first removed from the vessel or aircraft on or in which it was transported to Tasmania;

"**vehicle**" means –

- (a) a motor vehicle within the meaning of the *Vehicle and Traffic Act 1999*; or
- (b) a trailer within the meaning of that Act;

"**vessel**" means a vessel within the meaning of the *Living Marine Resources Management Act 1995*.

- (2) Words and expressions used in this general authority have the same meaning, unless the contrary intention appears, as they have in the *Animal Health Act 1995*.
- (3) In this general authority, land does not include any land forming the bed of any sea, river, lake, foreshore, inlet, harbour or any other body of water within the State.
- (4) For the purposes of this general authority, material that is imported into Tasmania in or on a vessel or aircraft that is itself transported by a vessel or aircraft is taken to have been removed from the vessel or aircraft in or on which it was imported as soon as that vessel or aircraft is first transported on or onto land in this State.

Importation class to which this general authority applies

4. (1) This general authority applies to the following class of animals: a carcass, or part of a carcass, of fish.
- (2) This general authority applies to the following class of restricted material:
restricted material as declared by the Minister in the Notice of the 1 of June 2004 and published in the *Gazette* on the 7 of July 2004;

Conditions for the importation of Schedule 1 material

5. Material specified in Schedule 1 to this general authority may be imported if –
 - (a) the material has been heat treated in accordance with the following requirements –
 - (i) for material originating from fish of the Salmonidae family, including: *Oncorhynchus mykiss* (Rainbow trout), *Salmo salar* (Atlantic salmon), and *Salmo trutta* (Brown trout), moist heated to a core temperature of at least 85°C for at least 25 minutes, or to an equivalent core temperature and specified time agreed by the Chief Veterinary Officer; and
 - (ii) for non-salmonid material (all other species listed in Schedule 1 of this general authority) the application of heat to maintain a core temperature of at least 71°C for at least 30 minutes; and
 - (b) the material is accompanied at all times within the unloading area by a certificate of a competent authority of the place where the fish was heat treated certifying –
 - (i) the type of material; and
 - (ii) the species of fish from which the material was derived; and
 - (iii) that the material has been heat treated; and
 - (iv) the name of the country or State where the material was heat treated; and

- (c) the importer informs an inspector of the importation before –
- (i) the material is removed from the unloading area; or
 - (ii) the end of a 72 hour period from the unloading time, if the material is not removed from the unloading area within 72 hours of the unloading time; and
- (d) if paragraph (c)(ii) of this clause applies, the importer presents the certificate referred to in paragraph (b) of this clause to the inspector when the importer informs the inspector of the importation.

Conditions for the importation of other material

6. Material not specified in Schedule 1 to this general authority may be imported if –
- (a) the material is accompanied at all times within the unloading area by –
 - (i) a manifest, invoice, packing slip or similar document specifying –
 - (A) the type of material; and
 - (B) the species of fish from which the material was derived; or
 - (ii) a statutory declaration by or on behalf of the importer specifying –
 - (A) the type of material; and
 - (B) the species of fish from which the material was derived; and
 - (b) the importer informs an inspector of the importation before –
 - (i) the material is removed from the unloading area; or
 - (ii) the end of a 72 hour period from the unloading time, if the material is not removed from the unloading area within 72 hours of the unloading time.

Conditions for importing hermetically sealed and thermally processed material

7. Notwithstanding clause 5 or 6 of this general authority, material of any kind may be imported without restriction if the material –
- (a) is in a hermetically sealed container; and
 - (b) has been thermally processed in that container and made commercially sterile.

General authority does not restrict direct landing of lawfully caught wild fish

8. This general authority does not restrict fish caught in the wild being landed in Tasmania if the fish –
- (a) have been caught in accordance with the Living Marine Resources Management Act 1995; or a law of another State, or of the Commonwealth, that corresponds to that Act; and
 - (b) have not previously been landed in Tasmania or elsewhere.

Dated this 27th day of February 2023.

Promotion Without Advertising

AGENCY: DEPARTMENT OF HEALTH

It is my intention to request the Head of the State Service to exercise discretion to not advertise the following duties in accordance with section 40 (2) of the *State Service Act 2000* and to promote the following permanent employee:

Name: S Carter

Duties Assigned: Clinical Nurse Specialist - Hillcrest Recovery

Description of the Role: The Clinical Nurse Specialist - Hillcrest Recovery:

- Works within the designated region in collaboration with other staff within the Office of the Chief Psychiatrist, other Tasmanian Government agencies, and a range of community service providers, to deliver improved outcomes for individuals and families involved in the Hillcrest tragedy.
- Works autonomously within a multidisciplinary team to deliver coordinated, assertive case management and the development of care planning for families and care givers involved in the Hillcrest tragedy.
- Is a clinical expert for staff and other providers involved in the management of the families involved in the Hillcrest tragedy.

Essential Requirements:

1. Registered with the Nursing & Midwifery Board of Australia as a Registered Nurse and possess specialist tertiary graduate or post graduate mental health/psychiatric nursing qualifications; or completed, prior to the transfer of nurse education to the tertiary sector, an accredited hospital based program that lead to registration as a psychiatric nurse by the relevant nurse regulatory authority within Australia, New Zealand, Canada or the United Kingdom
2. Current Driver's Licence

Desirable Requirements:

1. Extensive relevant psychiatric nursing experience and/or credentialed as a Mental Health Nurse by the Australian College of Mental Health Nurses or equivalent
2. Holds or is working towards relevant tertiary qualifications
3. Five or more years' post graduate clinical nursing experience

State Service employees aggrieved by this intention may make application to the Tasmanian Industrial Commission for a review under section 50(1)(b) of the *State Service Act 2000*. Applications for review are to be lodged with the Tasmanian Industrial Commission within 14 days of the publication of this notice in the Tasmanian Government Gazette.

Signed: Kathrine Morgan-Wicks

Specialist Digitisation Services

Storage, access to and management of large documents like plans and engineering drawings is an incredibly difficult task. When your plans and drawings are on paper or aperture cards it is a nightmare to retrieve, view, print, forward or distribute.

The future has landed! Acrodata and our unique Store and Digitise on Demand service means you can have any plan or drawing available when you want it. Acrodata will store, manage, digitise and retrieve plans, drawings and aperture cards, in the time you request.

- Brand new technology producing image quality previously not possible
- Digitise and/or Retrieve for less than the cost of a reproduction.
- Full digitisation of collections with a fixed completion date
- Any plan or drawing delivered to you as a digital image immediately on request

Manage the risk of redundant technology limiting your access to vital information.

Digitise your past to protect your future now.
