PREAMBLE

- A. The ACS is an incorporated association constituted under the *Incorporated Association Act 1991* (ACT) and is an occupational association for the purposes of the Act.
- B. The Scheme is prepared by the ACS for the purpose of limiting Occupational Liability to the extent to which such liability may be limited under the Act.
- C. The Scheme applies to all Participating Members of the ACS.
- D. The Scheme will have force in Australian Capital Territory, New South Wales, the Northern Territory, Queensland, South Australia, Tasmania, Victoria and Western Australia. To the extent that the Scheme applies to limit liability in jurisdictions other than New South Wales, it is subject to the applicable Professional Standards Legislation.
- E. The ACS has furnished the Council with a detailed list of the risk management strategies, currently in place and intended to be implemented, in respect of its Members and the means by which those strategies are intended to be implemented.
- F. The ACS has furnished the Council with details of its Insurance Standards and Insurance Arrangement claims monitoring process. The ACS will not amend the Insurance Standards while the Scheme is in force without prior approval of the Council.
- G. The ACS has advised its Participating Members that they must have the benefit of an Insurance Arrangement that complies with the ACS' Insurance Standards and that they remain liable for the amount of any difference between the amount payable to a plaintiff under the policy and the Monetary Ceiling.
- H. The ACS has furnished the Council with details of its complaints system and discipline system.
- I. The ACS and the Participating Members have undertaken to comply with all reporting obligations associated with the Scheme, in furtherance of the statutory objects of improvement of the occupational standards of its Members, and protection of the consumers of the Members' services.
- J. The ACS has undertaken to remit all fees payable under the *Professional Standards Regulation 2019* (NSW) to the Council as and when these become due.
- K. The Scheme is intended to commence on 1st January 2025 and remain in force for five (5) years from its commencement unless, prior to that time, it is revoked, its operation ceases, or it is extended.
- L. Sections 12GNA(2) of the *Australian Securities and Investments Commission Act 2001* (Cth), 137(2) of the *Competition and Consumer Act 2010* (Cth), and 1044B(2) of the *Corporations Act 2001* (Cth) provide for limited liability where a professional standards scheme is prescribed in the relevant regulation.

THE SCHEME

1 Occupational association

- 1.1 The Scheme is a scheme under the Act prepared by the ACS whose national office address is:

Tower One, International Towers
100 Barangaroo Ave
Sydney, NSW 2000

2 Persons to Whom the Scheme Applies

- 2.1 The Scheme applies to:
 - 2.1.1 all Participating Members; and
 - 2.1.2 persons to whom the Scheme applies pursuant to sections 18, 19, or 20 of the Act.
- 2.2 The Scheme also applies to all persons who were Participating Members at the time of any act or omission giving rise to Occupational Liability.
- 2.3 The ACS may, on application by a person to whom the Scheme would otherwise apply under clause 2.1, exempt that person from the Scheme with effect from the date specified by the ACS.
- 2.4 The ACS may, upon application by a person exempted from the Scheme under clause 2.3, revoke such exemption with effect from the date specified by the ACS. This clause does not apply to persons to whom the Scheme applies by virtue of sections 18, 19 or 20 of the Act.

3 Jurisdiction

- 3.1 The Scheme applies in New South Wales.
- 3.2 In addition to New South Wales, the Scheme is intended to operate in the Australian Capital Territory, the Northern Territory, Queensland, South Australia, Tasmania, Victoria and Western Australia in accordance with, and subject to the requirements of, the corresponding Professional Standards Legislation of those jurisdictions. The references to a provision of the Act, the application of the Scheme to a liability, the limit of a liability under the Act, or what constitutes Occupational Liability, shall be determined pursuant to the relevant provisions of the corresponding Professional Standards Legislation, applied mutatis mutandis, to the extent that is necessary for the application of the Scheme in any of those jurisdictions.

4 Limitation of liability

- 4.1 The Scheme only affects the liability for Damages arising from a single cause of action to the extent to which the liability results in Damages exceeding \$2,000,000.
- 4.2 If a person who is, or was, at the time of the act or omission giving rise to Occupational Liability, a Participating Member and against whom a proceeding relating to Occupational Liability is brought, is able to satisfy the Court that such person has the benefit of an insurance policy:
 - 4.2.1 of a kind which complies with the standards determined by the ACS,
 - 4.2.2 insuring such person against the Occupational Liability to which the cause of action relates, and
 - 4.2.3 under which the amount payable in respect of that Occupational Liability is not less than the Monetary Ceiling,
 then that person is not liable in Damages in relation to that cause of action above the Monetary Ceiling.
- 4.3 The monetary ceiling for the purpose of limitation of liability under the Scheme is \$2,000,000.
- 4.4 Clause 4.2 does not limit the amount of Damages for which a Participating Member is liable if that amount is less than the Monetary Ceiling.
- 4.5 The Scheme limits the Occupational Liability of a person in respect of a cause of action founded on an act or omission occurring during the period when the Scheme was in force, provided that such person was a Participating Member at the time of the act or omission.

4.6 Notwithstanding anything to the contrary contained in the Scheme if, in particular circumstances giving rise to Occupational Liability, the liability of a Participating Member is capped both by the Scheme and also by any other scheme under Professional Standards Legislation (whether of this jurisdiction or under the law of any other Australian state or territory) and, if the amount of such caps should differ, then the cap on the liability of such person arising from such circumstances which is higher shall be the applicable cap.

5 Conferral of discretionary authority

5.1 The Scheme confers on the ACS a discretionary authority, on application by a Participating Member, to specify in relation to that person a higher maximum amount of liability than would otherwise apply under the Scheme, in all cases or in any specified case or class of case.

6 Commencement and Duration

6.1 The Scheme is intended to commence on the following day:

6.1.1 in New South Wales, the Northern Territory, Tasmania, Western Australia, Victoria, and Queensland, on 1 January 2025; and

6.1.2 in the Australian Capital Territory and South Australia, on 1 January 2025, or such other late date, provided the date is specified in the relevant Minister's notice in relation to the Scheme; or

6.1.3 in all other cases, subject to the statutory provisions of each applicable jurisdiction.

6.2 The Scheme will be in force for a period of five (5) years from the date of its commencement in New South Wales.

6.3 Clause 6.2 is subject to the provisions of the Professional Standards Legislation in each jurisdiction in relation to the revocation, extension, or cessation of a scheme.

PUBLIC NOTICE – TOTAL ALLOWABLE CATCH FOR THE ABALONE FISHERY 2025

DEFINITION OF THE PARTS OF THE ABALONE FISHERY AND THE PORTION OF THE TOTAL ALLOWABLE CATCH TO BE TAKEN IN EACH PART IN 2025

I, Eric Abetz MP, Minister for Business, Industry and Resources administering the *Living Marine Resources Management Act 1995*, acting under Section 94 of that Act, hereby:

1. Set the total allowable catch for the entire commercial abalone fishery for the year 2025 at 763 tonnes.
2. Determine that the parts of the commercial abalone fishery from which the total allowable catch for the year 2025 is to be taken are: I. The eastern blacklip abalone part of the fishery; II. The western blacklip abalone part of the fishery; III. The northern blacklip abalone part of the fishery; IV. The Bass Strait blacklip abalone part of the fishery; and V. The greenlip abalone part of the fishery, those parts of the fishery being respectively identified as follows:
 - I. the eastern blacklip abalone part of the fishery is the part of the commercial abalone fishery involving only blacklip abalone in State waters adjacent to the east, south-east and south coasts of Tasmania bounded in the north by an imaginary line starting from the northern side of the mouth of the Great Musselroe River at Musselroe Bay, running due west for 100 metres, following the shoreline 100 metres from shore to the northernmost tip of Musselroe Point, running due north until intersection with the line of latitude 40° 48' 00" South and running due east to the outer limit of State waters and bounded in the south by an imaginary straight line running due south from Whale Head near South East Cape to the outer limit of State waters;
 - II. the western blacklip abalone part of the fishery is the part of the commercial abalone fishery involving only blacklip abalone in State waters adjacent to the south and west coasts of the mainland of Tasmania between an imaginary straight line due south from Whale Head near South East Cape and an imaginary straight line due west from the mouth of the Wild Wave River near Sandy Cape;
 - III. the northern blacklip abalone part of the fishery is the part of the commercial abalone fishery involving only blacklip abalone in State waters adjacent to the north, north-west and north-east coasts of the mainland of Tasmania and King Island bounded in the east by an imaginary line from the northern side of the mouth of the Great Musselroe River at Musselroe Bay running due west for 100 metres, then following the shoreline 100 metres from shore to the northernmost tip of Musselroe Point, then running due north until intersection with the line of latitude 40° 48' 00" South, and running due east to the outer limit of State waters, and bounded in the west by an imaginary straight line running due west from the mouth of the Wild Wave River near Sandy Cape to the outer limit of State waters but excluding those waters within the Bass Strait blacklip abalone part of the fishery;
 - IV. the Bass Strait blacklip abalone part of the fishery is the part of the commercial abalone fishery involving only blacklip abalone in State waters adjacent to the north coast of Tasmania, the Furneaux Group of islands, and in Bass Strait bounded in the west by an imaginary line running from the northernmost point of Woolnorth Point to the point of latitude 40° 37' 14.40" South, longitude 144° 41' 37.87" East, then running due north to the outer limit of State waters and bounded in the east by an imaginary line beginning where the line of longitude 147° 27' 00" East meets the high-water mark of the north coast of the mainland of Tasmania in Anderson Bay then running due north until its junction with the line of latitude 40° 39' South then due east along that line of latitude to the limit of State waters; and
 - V. the greenlip abalone part of the fishery is the part of the commercial abalone fishery involving only greenlip abalone.
3. Determine that the portion of the total allowable catch to be taken from each part of the commercial abalone fishery for the year 2025 is:
 - I. the eastern blacklip abalone part of the fishery – 227.5 tonnes;
 - II. the western blacklip abalone part of the fishery – 297.5 tonnes;
