**Land Acquisition**

## LAND ACQUISITION ACT 1993

## NOTICE OF ACQUISITION

(Section 18)

In pursuance of Section 18 of the *Land Acquisition Act 1993*, I, Guy Naish, Valuer-General acting as a delegate of the Minister of the Crown for the time being administering the *Land Acquisition Act 1993* do hereby declare that an easement in gross (with the benefit of a restriction as to user of land) as more fully defined in the Schedule hereto is acquired in favour of the Crown absolutely under the said Act for road purposes.

Given under my hand this 29th day of January 2024.

VALUER-GENERAL

Department of Natural Resources and Environment Tasmania

**SCHEDULE**

The easement in gross (with the benefit of a restriction as to user of land) acquired in favour of the Crown is an Easement of Support (as defined below) over land situated in the Parish of Sorell, Land District of Pembroke, more specifically being over that part of the land comprised in folio of the Register Volume 157277 Folio 5 (of which Supercomp No 40 Pty Ltd (ACN 068 900 425) is the registered proprietor) shown marked as "Easement of Support" on Strata Plan 157277 ("Easement Land").

"Easement of Support" means:

All the full and free right and liberty for the Crown in Right of Tasmania, its employees, agents and contractors ("Crown") at all times:

- (a) to maintain its existing (as at the date this easement right is taken by the Crown) Rock Bolts and all other Rock Bolts installed in accordance with subclause (b)(i) on and in the Easement Land at all times;
- (b) to have access to and to enter and remain upon the Easement Land with any necessary vehicles and equipment for any one or more of the following purposes:
  - (i) to install Rock Bolts on and in the Easement Land or on any adjoining land where the Crown has the right to so install Rock Bolts;
  - (ii) to inspect, alter, repair, remove and renew all Rock Bolts installed on and in the Easement Land and any Crown Rock Bolts existing on adjoining land;
  - (iii) to cut away, remove and keep clear all trees (or parts thereof) which may at any time encroach or be in or on the Easement Land and which may endanger or interfere with the proper installation and operation of any Rock Bolts existing on or in the Easement Land or in any adjoining land at any time;
  - (iv) to remove and keep clear any obstructions or erections of any nature whatsoever which may at any time encroach or be in or on the Easement Land and which may endanger or interfere with the proper operation of any Rock Bolts existing on or in the Easement Land or in any adjoining land at any time; and
- (c) if it is necessary for the purpose of gaining access to the Easement Land, to cross (with vehicles and equipment as necessary) other parts (in a reasonable manner, and complying with all reasonable directions of the owner of such servient land regarding such crossing) of the land comprised in folio of the Register Volume 157277 Folio 5 ("servient land") to so access the Easement Land,

Provided always that in exercising its rights under subclauses (a) - (c) inclusive above, the Crown:

- (d) must if practicable, give reasonable notice of the proposed exercise of such rights to the persons lawfully occupying the servient land at the relevant time;
- (e) must not:
  - (i) seek to remove;
  - (ii) do anything that would adversely affect (in a non-trivial manner) the structural integrity of; or
  - (iii) cause any non-trivial damage to,

the main residential building existing on the servient land at the date this easement right is taken by the Crown;

- (f) may only remove any fencing on the Easement Land after giving notice of the same and restoring such fencing in the same or better condition after removal and completion of relevant works; and
- (g) must make good all damage caused to the Easement Land by any exercise of such rights as soon as practicable after such damage occurs and leave the Easement Land in a clean and tidy condition after each exercise of such rights where there has been a presence by the Crown on the Easement Land;

annexed with the benefit of a restriction as to the user of the land whereby there is the benefit of a covenant for the Crown from the registered proprietor of the servient land and their successors not to:

- (i) excavate or penetrate the ground howsoever of the Easement Land to a depth exceeding 1.2 metres;
- (ii) erect or install any buildings or other improvements on the Easement Land that were not present on the Easement Land as at the date the easement right is acquired by the Crown,

without the prior written consent of the Crown (which consent is at the Crown’s absolute discretion), with the intent that the burden of the covenant may run with and bind the Easement Land and every part thereof and that the benefit may be annexed to the easement first hereinbefore described.

Interpretation (for the purposes of this definition of “Easement of Support”):

“Rock Bolt” means a steel rod drilled at or near a horizontal angle to the ground below the natural surface behind a retaining wall to provide structural support for the retaining wall.

Location of Easement Land: Tasman Highway – Midway Point.

Municipal Area of Easement Land: Sorell

2959581-2665

**LAND ACQUISITION ACT 1993  
NOTICE OF ACQUISITION  
(Section 18)**

In pursuance of section 18 of the *Land Acquisition Act 1993* (“the Act”), the Burnie City Council declares that the land described within the Schedule is taken and vested in the Burnie City Council under the said Act for the authorised purpose, being for acquiring the reserved road.

DATED this the 2ND day of February 2024

For and on behalf of Burnie City Council  
By its solicitors, Tremayne Fay Rheinberger  
119 Macquarie Street, Hobart

**SCHEDULE**

1. The portion of the Wilmot Road reserve shown on Certificate of Title 214370/1 shown marked pink on the attached site plan marked 50117 DS 01 “**BCC1**” (the Land).

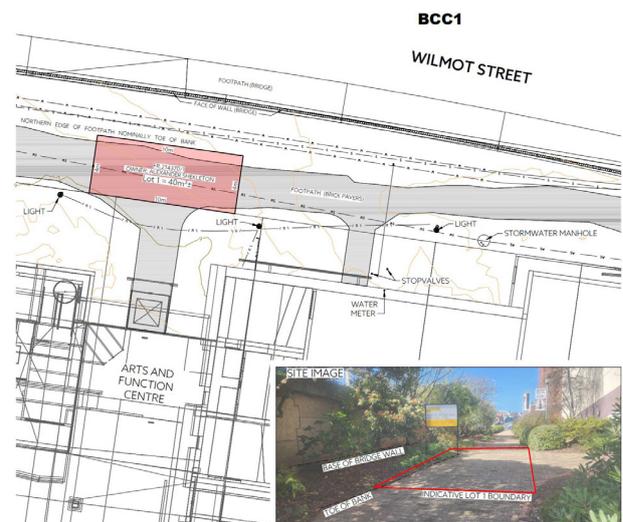

2. Folio 214370-1 shows Alexander Shekleton as the owner of the Land.

- a. The title land originates from Folio 15-59 in the name of Alexander Shekleton dated 1873 which had its last dealing recorded in 1891. The Recorder of Titles subsequently converted the balance of land into loose leaf title Folio 2544-19 and subsequently automated the title into computer Folio 214370-1.
- b. Will No 4986\*\*\* recites that Alexander Shekleton died at South Brunswick in Victoria on 19 July 1896 and that the Supreme Court of Tasmania granted probate on or about 2 October 1896 to Martha Ann Shekleton and Edmund Cooper being the remaining executrix and executor named in the will.
- c. Will No 4310\*\*\* dated 4 January 1957 recites that the Public Trustee elected to become the administrator of the intestate estate of the late Martha Ann Shekleton who had died in Launceston on or about 9 October 1911.
- d. Edmund Cooper (a farmer from Table Cape and later from King Island) died. He married Clara Shekleton as a 24 year old in 1897. He was recited as a party to a dealing in Folio 253-96 in 1920 and Folio 292-6 in 1921. There is no Tasmanian Names Index will/probate entry for an Edmund Cooper around this timeline.

3. Current ownership of Folio 214370-1

- a. The line of representation appears to have been broken.
- b. The owner of the land is the (unknown) estate of the late Edmund Cooper being the surviving personal representative of the estate of the late Alexander Shekleton who died on or about 2 October 1896.

From the above it would appear that the owner of the portion of Land is the (unknown) estate of the late Edmund Cooper being the surviving personal representative of the estate of the late Alexander Shekleton who died on or about 2 October 1896

## Living Marine Resources

### LIVING MARINE RESOURCES MANAGEMENT ACT 1995

#### Section 228

#### PUBLIC NOTICE - PROPERTY SEIZED PURSUANT TO THE LIVING MARINE RESOURCES MANAGEMENT ACT 1995

I Steven WATSON, holding the office of Inspector, Marine and Rescue Services, Department of Police and Emergency Management, pursuant to the delegated authority under Section 20 (2) of the *Living Marine Resources Management Act 1995*, in accordance with Section 228 of the Act, hereby give notice that:

- The undermentioned property has been seized by police pursuant to the *Living Marine Resources Management Act 1995*, on the date and location indicated.
- The property is in possession of the police with the owners of the said property not having been located.
- The property will be forfeited to the Crown if within 6 weeks after the date of this notice the owner is not found.

### Promotion Without Advertising

#### AGENCY: DEPARTMENT OF HEALTH

It is my intention to request the Head of the State Service to exercise discretion to not advertise the following duties in accordance with section 40 (2) of the *State Service Act 2000* and to promote the following permanent employee:

**Name:** M Barnard

**Duties Assigned:** Specialist Pharmacist - Palliative Care

**Description of the Role:** Provide a safe and efficient clinical pharmacy service to patients in the North West region of Tasmania.

Utilise specialist knowledge of pharmaceuticals and therapeutics related to patients receiving palliative care.

Act as a resource person in the field of palliative care and provide supervision and support to other staff.

**Essential Requirements:** Registered with the Pharmacy Board of Australia

**Desirable Requirements:** Current Driver's Licence

State Service employees aggrieved by this intention may make application to the Tasmanian Industrial Commission for a review under section 50(1)(b) of the *State Service Act 2000*. Applications for review are to be lodged with the Tasmanian Industrial Commission within 14 days of the publication of this notice in the Tasmanian Government Gazette.

**Signed:** Kathrine Morgan-Wicks

## AGENCY: NATURAL RESOURCES AND ENVIRONMENT TASMANIA

It is my intention to request the Head of the State Service to exercise discretion to not advertise the following duties in accordance with section 40 (2) of the *State Service Act 2000* and to promote the following permanent employee:

**Name:** S Galloway

**Duties Assigned:** Water Resources Systems Administrator

**Description of the Role:** To undertake the design, development and management of water resource information systems within the Water Resources Division. Provide the resolution of complex and/or critical systems management issues relating to database functionality, data integrity and data accessibility. Manage specialised projects related to data and information transfer to clients. Act as the primary contact and adviser for the Division in areas related to water resource information management and information transfer technology.

**Essential Requirements:** N/A

**Desirable Requirements:** • A Diploma or Advanced Diploma in information technology, or equivalent level, relevant to the nature of the work to be undertaken, as provided by either a university, a vocational education organisation or a registered and accredited training provider.

- Demonstrated project management and project delivery.
- Several years' experience in the use and technical development of information systems.
- A current driver's licence.

State Service employees aggrieved by this intention may make application to the Tasmanian Industrial Commission for a review under section 50(1)(b) of the *State Service Act 2000*. Applications for review are to be lodged with the Tasmanian Industrial Commission within 14 days of the publication of this notice in the Tasmanian Government Gazette.

**Signed:** Jason Jacobi
