## Energy Ombudsman

### ENERGY OMBUDSMAN ACT 1998, SECTION 39

PURSUANT to s 39 of the *Energy Ombudsman Act 1998* (the Act), I revoke all Guidelines previously made under that section, and substitute the following Guidelines.

#### Guidelines Overview

These Guidelines have been prepared in accordance with s 39(1) of the Act and relate to the processes to be followed in preparing a budget in respect of the costs of administering the Act.

The Guidelines are based on the principle expressed in s 39C(1) of the Act, that the costs of administering the budget are to be met by all energy entities in such proportions as are specified in the budget. The expression "energy entity", as defined in the Act, denotes any entity which is:

- (a) an electricity entity within the meaning of the *Electricity Supply Industry Act 1995*; or
- (ab) a retailer within the meaning of the National Retail Law (Tasmania); or
- (ac) an exempt seller within the meaning of the National Energy Retail Law (Tasmania); or
- (ad) a person to whom, or a person who sells electricity to which, section 23 of the *National Energy Retail Law (Tasmania) Act 2012* applies;
- (b) a licensee within the meaning of the *Gas Industry Act 2019*.

The apportionment of the budget is to be based on the payment of membership fees and complaint levies. Each entity is to pay a membership fee in accordance with Section 1 of these Guidelines, if demanded. The entity will also pay a complaint levy if one is payable in accordance with Section 2.

#### 1. The Membership Fee

Each entity is to pay a membership fee of \$10, if demanded.

#### 2. The Complaint Levy

The balance of the budget is to be apportioned between energy entities through the imposition of complaint levies.

The Ombudsman will calculate -

- (a) the aggregate number of complaints and enquiries received by the Ombudsman under the *Energy Ombudsman Act* during the previous calendar year; and
- (b) the percentage of that aggregate number which is attributable to complaints made against, or enquiries made in respect of, each of the energy entities.

Each entity is to pay a levy which represents the percentage of the balance of the budget which is equal to the percentage attributed to that entity in accordance with paragraph (b).

#### 3. Costs to be included in the Budget

The budget will include the estimated costs of administering the Act in the forthcoming financial year.

If the Ombudsman anticipates that, for good reason, the budget for the current financial year will be exceeded, the amount of the excess may be added to the budget which is in preparation.

If the Ombudsman anticipates spending less than the budget for the current financial year, the anticipated surplus will be credited to the energy entities in proportion to their contributions to that budget. The fact that a surplus is anticipated will also be taken into account in the preparation of the new budget.

Ombudsman

## Personal Information Protection

### PERSONAL INFORMATION PROTECTION ACT 2004

#### EXEMPTION UNDER SECTION 14

I, Guy Barnett MP, Minister for Justice, being and as the Minister responsible for the administration of the *Personal Information Protection Act 2004* ("the Act"), upon being satisfied that the public benefit in doing so outweighs to a substantial degree the public benefit from compliance with the Personal Information Protection Principles, hereby approve an application dated 12 December 2023 made under section 13 of the Act by the Department of Justice for an exemption from compliance with the Act, subject to the following conditions:

1. That any information that would be protected by the Act can be disclosed to Mr Sam Tatarka OAM, or any person assisting Mr Tatarka, for the purpose of conducting an independent review in relation to legal assistance met by the Crown provided to current and former public officers in respect of the *Commission of Inquiry into the Tasmanian Government's Responses to Child Sexual Abuse in Institutional Settings*;
2. That information can only be shared whereby such information is, or has the potential to be relevant to the independent review;
3. That if information is shared pursuant to this exemption that is not relevant and is not potentially relevant to the independent review, it will be returned to the Department of Justice and in compliance with the *Archives Act 1983*.

Dated the 22 day of December 2023

HON GUY BARNETT MP,  
Attorney-General and Minister for Justice

#### Details of the Application

The Department of Justice has applied under Section 13 of the *Personal Information Protection Act 2004* ("the Act") for an exemption under Section 14 of the Act to allow for information within its custody and control to be disclosed and used by Mr Sam Tatarka OAM for the purpose of conducting an independent review of whether there are appropriate grounds to require any Public Officers, who received a grant of legal assistance pursuant to Employment Direction No. 16 *Indemnity and Legal Assistance*, or whose legal fees were otherwise paid by the Crown, in the course of the *Commission of Inquiry into the Tasmanian Government's Responses to Child Sexual Abuse in Institutional Settings* to reimburse the Crown for reasonable costs and expenses.

The exemption is to ensure that all information relevant to independent review can be obtained by the independent reviewer, and utilised within the constraints of the law, whilst still protecting the privacy of individuals.
